Alumni/ae Audit Policy

October 23, 2008

There are two options for Meadville Lombard Alumni/ae wishing to take courses at the school.

- Alumni/ae may audit up to one (1) credit per term for a fee of \$500.00 (the fee will be prorated for courses that are less than a full credit, i.e., fee of \$250 for a half-credit course). There will be no application fee and the course **will** be recorded on their academic transcript. Or,
- Alumni/ae can attend up to one (1) credit per term **free of charge** by completing a “request to attend course” form. If taken for free, the course **will not** be recorded on their academic transcript.
- Courses taken under this policy do not qualify for credit toward a degree program.

Attendance/registration for courses is dependent on seat availability and is subject to professor approval and enrollment standards.
