

HOMECOMING

When and where does
The wanderer find
Home ?

Where is that place
Of safety, refuge,
Sanctuary ?

Homecoming for me
Is always moments,
Islands of grace,
Of inner light --
A tranquility
That is timeless
Though tasted
Within Time.

Homecoming
Is incandescence,
Accord, fusion
With Truth.
The experience
Of the One
As the dear Divine,
Light, Life
And Love,
Bread and
Breath.
