# 1 Welcome to Meadville Lombard

---

## 1.1 Our Mission

At Meadville Lombard Theological School, our mission is to educate students in the Unitarian Universalist tradition so that they may go forth and embody liberal, religious ministry in Unitarian Universalist congregations and wherever else they may be called to serve. We do this so that we may take into the world our Unitarian Universalist vision of justice, equity, and compassion.

## 1.2 Student Covenant

*We call forth each other's full and authentic presence, in the spirit of love and openness to the many different gifts we bring. We covenant to be each other's support and share each other's joy. We trust that doing differently will lead to thinking differently. May we move forward with courage and gratitude for our opportunities to learn and grow.*

- We will respect diversity in all its manifestations as a sign of strength; we will honor all contributions to the community.
- We will listen deeply to all points of view.
- We will offer everyone an opportunity, and an invitation, to be heard.
- We will allow and honor silence.
- We will communicate compassionately, directly, and honestly.
- We will use “I” language, and speak from our own stories and experiences.
- We will respect confidentiality.
- We will support the structures in our community that actively turn conflict towards healing and growth.
- We will resolve our conflicts proactively. When we need to step back, we will return as soon as it is healthy.
- We will make every effort to settle differences openly: giving and receiving criticism kindly.
- We will confront our assumptions.
- We will accept and forgive imperfections in ourselves and in others.
- We will be open to connection with the full breadth of the Meadville Lombard community.

## 1.3 Our Community

Meadville Lombard is an educational community comprised of a variety of cultures, theological perspectives, and traditions. As a learning community, Meadville Lombard seeks to be a positive and supportive environment that is conducive for all students, faculty, and staff to the exchange of ideas and knowledge, both on campus and off. As a spiritual community, we hold each other

accountable for maintaining principles of fairness, civility, and respect for divergent perspectives. As a diverse community, we promote the dignity and worth of all persons.

**To This End, We Recommend These Guidelines for Right Relations in Community,**

*Adapted from Rev. David Miller*

- Am I reflecting on how my attitude and actions contribute to the tone of our community?
- Am I assuming the good intentions of the other(s)?
- Am I communicating directly with the person with whom I am having the issue?
- Am I resolving issues or am I spreading them through gossip, anger and/or frustration?
- Am I reflecting on what personal wounds, issues, and tendencies of mine are contributing to the issue?
- Am I willing to be an active participant and to work in good faith to clear up issues?
- Am I projecting onto someone else through my own framework what they are thinking or doing as opposed to engaging them and asking them to share their thoughts and story?
- Am I actively listening to what others are saying and not formulating a response or the next comment or question while they are talking?
- Can I let go of my need to control the situation?
- Can I graciously leave space for others by letting someone else speak first or by not speaking my mind if the point has been raised or made already?
- Can I have disagreements with an individual or group, do so in love and respect, and continue to stay in community?
- Can I take into account the importance of the task in relation to the importance of the relationship?

**To support our learning community for all, Meadville Lombard provides:**

- A supportive environment that facilitates the educational goals of Meadville Lombard on campus and online.
- Access to timely and accurate information.
- Opportunities for leadership development (Student Activities Council, student organizations, etc.).
- Confidentiality of student records (FERPA).
- Reasonable ADA accommodations.
- Due process in disciplinary proceedings.
- Safe physical environment on campus.

### **Meadville Lombard asks you to:**

- Encourage one another in ministerial formation.
- Recognize the value of diversity and an open exchange of ideas in local and global contexts.
- Pursue education and practices that will enhance your understanding about living and working in a multicultural and anti-oppression community.
- Practice high ethical standards through the promotion of honesty, dignity, courtesy, and respect when interacting with other students, faculty, and staff.
- Help keep campus facilities clean and inviting.
- Read and follow Unitarian Universalist Ministers Association Guidelines for the Conduct of Ministry (UUMA Guidelines)

## 2 Student Guide/General Information

---

### 2.1 Organizational Structure

#### 2.1.1 Corporate Identity and Authority

Meadville Lombard Theological School, located in Chicago, Illinois, is an independent Theological School with Unitarian Universalist roots and affiliations. Formally titled “Meadville Theological School of Lombard College”, the institution is more commonly referred to as Meadville Lombard Theological School. It is the surviving corporation of a merger between Meadville Theological School (which was incorporated in Pennsylvania by a Special Act on April 14, 1865) and Lombard College (which was incorporated in Illinois by the Secretary of State on May 15, 1851). This “surviving corporation” operates under the original Lombard College charter, and is accredited by the Association of Theological Schools.

#### 2.1.2 Board of Trustees

As provided in its charter, the Board of Trustees holds final authority for the governance of the institution. It is responsible for appointing the School’s chief executive and full-time faculty, approving budgets and faculty salaries, and authorizing both earned and honorary degrees. The Board consists of thirteen to eighteen members: including the President, a faculty trustee, a voting student trustee— who is elected by a majority vote of all students in good standing (pursuant to election rules established by the Student Affairs Council)— and the President of the Meadville Lombard Alumni/ae Association. The Board elects members to serve a term of three years, with the exception of the President (who serves ex-officio), the student trustee (who serves for a maximum of two, one-year terms), the faculty trustee (who serves for a two-year term), and the Alumni/ae trustee (who serves so long as that trustee holds the Alumni/ae office).

Trustees who have completed three terms are not eligible for another term until after a gap of one year. The Board presently meets three times a year. The Executive Committee— composed of the Chair, Vice Chair, Treasurer, Secretary, chairs of all other Teams that the Board establishes, one or more at-large members, and the President— carries on necessary business between meetings, and special meetings of the Board may be called on occasion. Other committees of the Board may also meet between regular Board meetings.

The Board has presently established the following Teams and Committees:

- Executive
- Development and Communications
- Education
- Finance and Administration
- Nominating

Members of these Teams and Committees are either ex-officio or elected by the full Board. Because its primary responsibility lies in the making of policies, the Board is not directly involved in the administrative and academic affairs of the School. Major administrative decisions are discussed with members of the Executive Committee and others as needed.

The Board has a diverse array of duties. These duties include: evaluating the Chief Executive; reviewing, providing counsel for, and adopting broad institutional goals and policies; and fundraising. Present and former Board members support the School financially and develop financial support from other individuals and churches. That being said, while formal authority rests with the Board, authority for running the School is delegated to the President, Administration, and Faculty. For a list of current Board of Trustees members, please visit our website ([www.meadville.edu](http://www.meadville.edu)).

### 2.1.3 **President**

The President, who is elected by the Board of Trustees, serves as the spiritual leader, chief educational officer, and chief administrator of the School. These responsibilities are carried out through delegation and collaboration.

### 2.1.4 **Vice President for Academic and Student Affairs**

The Vice President for Academic and Student Affairs is appointed by the President to oversee the educational program (in consultation with the faculty), accreditation, and the department of Student Affairs. The Vice President for Academic and Student Affairs is a member of the President's Leadership team and, as such, is actively involved in decisions regarding the institution's overall administrative policies.

### 2.1.5 **Faculty**

The Meadville Lombard Faculty, which includes the President and the Vice President for Academic and Student Affairs, meets weekly from August through June. Because the School seeks to provide the best possible educational experience, a considerable amount of time is devoted to meeting with individual students and discussing their first year of study; their experiences in Signature Courses, internships, and Clinical Pastoral Education; and their progress in their degree programs. Moreover, individual faculty members frequently agree to assume tasks— such as the development of draft

statements— which might then be referred to a committee within the larger faculty. Finally, individual faculty members serve on school committees, sometimes as the chair of the committee.

## 2.1.6 Meadville Lombard Council

### 2.1.6.1 *Purpose*

The Meadville Lombard Council acts as an advisory committee to the Meadville Lombard President on academic and non-academic issues related to community life. To accomplish this aim, the Council meets monthly between September and May (with the exception of January) to discuss and examine issues that Council members deem important. Additionally, the Council will examine issues brought to its attention by community members—provided that the Council members agree that the issue falls under Council jurisdiction.

### 2.1.6.2 *Structure*

Each Council member has one vote. For voting purposes, five Council members constitute a quorum. Council membership consists of:

- Faculty/Staff positions (five votes)
  - The Vice President for Academic and Student Affairs
  - The Vice President of Finance and Administration (or representative)
  - The Vice President for Enrollment and Student Affairs
  - One Staff member (elected by the Staff)
  - One Faculty member (elected by the Faculty)
- Student positions
  - A representative appointed by the Student Advisory Council
  - The Student Representative to the Meadville Lombard Board of Trustees
- The President (serves ex-officio)

### 2.1.6.3 *Leadership*

The two offices of the Council are the Chair and the Recording Secretary. These are one-year terms that are filled by members of the Student Advisory Council; this council will then decide which member fills either role.

#### 2.1.6.4 *Open Meeting Policy*

Unless otherwise noted, all Council meetings are open to the entire Meadville Lombard community. Council members are in charge of conveying information back and forth between their constituencies and the Council.

#### 2.1.6.5 *Accountability*

The Meadville Lombard Council is expected to engage in ongoing communication with the President in matters related to its discussions. The Meadville Lombard Council is also charged with annually communicating to the Meadville Lombard community summaries of its deliberations and recommendations after each meeting through the weekly bulletin/newsletter, “This Week @ Meadville Lombard” (see Section 2.4.2), or via the School’s e-mail lists. The Meadville Lombard Council is also expected to provide an “Annual Report” each June to the entire student body. This report summarizes the previous year’s matters and discussions, and is delivered by way of “This Week @ Meadville Lombard” or the School’s e-mail lists.

#### 2.1.6.6 *Committees*

Committee structure within the community is flexible and subject to change in order to adapt to new concerns or situations that may arise. Special committees appointed by the Council have discussed issues such as course evaluation and spiritual life, and they have conducted sessions to provide conflict resolution skills. Frequently, other individuals or groups may assume— or be given responsibility for— some aspect of the School’s life or operations. Committees within the community can be broadly classified into two categories: voluntary and elected. Any committee may have student, faculty, and staff representatives on them.

## 2.2 Student Leadership

The Student Advisory Council (SAC) is a group of Meadville Lombard students elected yearly by their colleagues, and it represents the interests of currently enrolled students. Roles in the SAC may include co-chairpersons, a student representative to the Meadville Lombard Board of Trustees, a treasurer, a communications officer, a buddy coordinator, and other positions as needed.

Functions of the SAC include: sharing meeting minutes with the student body, maintaining on-line discussion groups for both the SAC and the entire Meadville Lombard student community, participating in monthly Meadville Lombard Council meetings, ensuring that students are represented in Meadville Lombard committees and task forces, making buddy assignments for

incoming students, managing the finances of the student community (including student activity fees), selecting Good Offices persons, and distributing the Meadville Lombard Guidelines of Right Relations for all classes. In order to participate in SAC, or represent students in the Meadville Lombard Council, a student must be a registered student in Academic Good Standing as defined by the Student Handbook.

### 2.3 Registered Student Organizations

A group of three or more currently enrolled students may form a registered student organization by following these steps:

- Complete a yearly registration form for the Vice President for Enrollment Management and Student Affairs.
- Secure a full-time faculty/professional staff advisor.
- Develop a constitution and bylaws to govern the organization and ensure a version is on file with the Vice President for Enrollment Management and Student Affairs. The bylaws must include the following information:
  - Name of the organization
  - Purpose of the organization
  - Eligibility for membership
  - Description of the duties of each officer
  - Voting procedures
  - Schedule of meetings
  - Description of committees and their functions
  - Provisions for amendments to the constitution
- Limit group membership to students, faculty and staff at Meadville Lombard.
- Extend membership without biases prohibited by applicable law, including, but not limited to, sex, race, color, national origin, religion, age, veteran status, disability, marital status, or affectional orientation.
- Agree to conduct organization affairs in accordance with school regulations.
- Understand that only students in Academic Good Standing, as defined by the Student Handbook, can participate in student organizations.

For any questions or assistance regarding student organizations, please contact the Vice President for Enrollment Management and Student Affairs.

### 2.4 Communication

#### 2.4.1 E-mail

Upon matriculation, you will be given a Meadville Lombard e-mail address. This is usually, but not always, your first initial of your first name, and then your last name .edu (i.e., Jenny Chicago would be jchicago@meadville.edu). This e-mail account is the School's official means of communicating with you, therefore, you are expected to check

your incoming mail regularly. Upon request, graduating students will be permitted to keep their Meadville e-mail for up to one year after graduating. An official request should be e-mailed to the Director of IT and Library in May of your graduation year.

Students beginning their degree program in the summer term will receive their e-mail addresses after submitting ID verification paperwork to the Director of Student Records, before the start of Summer Term. Students beginning their degree program in the fall will receive their e-mail addresses after submitting ID verification paperwork to the Director of Student Records, before August Convocation.

When the e-mail address is created, an eight-character, temporary password will be automatically generated. You will be required to change it to either a password or passphrase that is something both familiar and strong. Some guidelines, tips, and suggestions follow:

- **Passwords:**
  - The password should be at least eight characters in length, and should have a combination of letters, numbers, and symbols.
  - "Password" is a commonly used passphrase, and is easily hackable. A way to strengthen this otherwise weak password would be to replace some of the letters with numbers: such as Pa55w0rd. To make the password even stronger, symbols can be added in: such as P@55w0r&.
- **Passphrases:**
  - Because passwords can be difficult to remember, many people are moving towards replacing them with passphrases. These are series of words that make sense to you, but that no one else would think to use.
  - Example: MyFavoriteBirthdayPresentWasABlueBike
  - At 37 upper- and lowercase characters, this example passphrase will be nearly impossible to crack. Additionally, despite its length, it will also be hard to forget because the blue bike used in the example holds a special place in the user's memory.

Meadville e-mail accounts are to be used for course work and outreach only. They are not to be used for online shopping, registering with non-academic sites, as a personal address for non-Meadville conversations, or anything that could cause spam to be sent to the Meadville domain.

#### 2.4.2 **This Week @ Meadville Lombard (aka "The Bulletin")**

During the Academic Year, the Communications Office sends out a weekly bulletin titled, "This Week @ Meadville Lombard." The bulletin includes announcements regarding policy changes, upcoming deadlines, and any other news that affects the entire community. This bulletin is the official vehicle for the delivery of such news, and is delivered via your Meadville Lombard e-mail account.

### 2.4.3 Populi

Our e-community classroom forum, called Populi is where students and faculty upload assignments, papers, media, PowerPoint presentations, etc. Populi enables you to archive and track electronic documents and assignments, participate in forums, form private on-line study groups, and even share ministerial formation sermons and documents electronically with congregations or groups.

## 2.5 Advising

Upon accepting admission into a degree program, students will be assigned to a Faculty Advisor who they will meet with in order to begin the process of planning their academic roadmap. New students will want to confer with their Advisor as early as possible to discuss questions about equivalency requirements or transfer units. Students are expected to meet with their Advisor on a routine basis depending on the structure of their degree program, and will need to obtain Advisor approval for classes taken outside of Meadville Lombard academic classes.

A successful advising relationship hinges on regular communication between advisor and advisee, both structured and informal, to establish and reinforce mutual expectations and foster a positive relationship. Some advising needs can be fulfilled through carefully prepared documentation regarding program requirements, recommended course selection and planning, and course descriptions and schedules. These documents are developed to assist students in achieving their academic program goals within a reasonable timeframe so as to help minimize the financial burden a graduate education can create. Students and faculty should follow the sequences laid out in these documents as much as possible.

For other advising needs, students are encouraged to begin by recognizing the values, goals and responsibilities that faculty and students share as part of the Meadville Lombard Theological School experience.

### 2.5.1 Shared Values

- Educational excellence and rigor
- Academic integrity
- Spirit of collaboration
- Justice, equity, and compassion
- Professionalism in all aspects of advising relationships

### 2.5.2 Shared Goals

- Academic progress and graduation of student according to the students' desired timeline
- Financial stability
- Mastery of the subject material

- Advancement of knowledge and skills
- Professional development and personal growth
- Career success and satisfaction

### 2.5.3 Shared Responsibilities

- Uphold and abide by department and school policies and procedures
- Maintain a respectful and inclusive environment
- Abide by the highest ethical and professional standards
- Foster a culture of open, honest, respectful communication and collaboration

In order to uphold these shared values, goals, and responsibilities, advisors and students must meet the following expectations:

### 2.5.4 Expectations for Advisors

- Meet with students. Regularly publicize times you are available so that students know when they can schedule appointments. Advisors should plan to meet with their advisees two times a year by phone or in person.
- Evaluate students' progress and performance in a regular (i.e., no less than annual) and informative way. Inform students about their performance in relation to expectations of normal progress and to norms associated with successful degree completion. When an alert regarding an advisee's GPA dropping below a 3.0 is received, follow up with that advisee and the faculty as called for in the Student Handbook (see section 3.7).
- Provide accurate and timely advice. Advisors should place students' timely completion of degree requirements among their highest priorities.
- Set high, but realistic and attainable, standards. It is not appropriate for advisers to expect students to reach ever higher standards. Students are entitled to know what counts as an acceptable level of performance.
- Listen carefully.
- Offer guidance in course selection and insight regarding best study practices.
- Provide formational counseling\*. Constructive criticism may be offered, if appropriate, but must be respectful and humane.
- Be familiar with MLTS policies, procedures, and deadlines.
- Advisers should keep their relationships with advisees focused on academic and professional development.
- Address student questions regarding ministry realities.
- Give advice that helps students transition from studies to ministry.
- Offer elective recommendations to students wondering how to best prepare for an uncertain and varied ministry future.
- Write letters of recommendation at the request of the advisee.
- Collaborate with the Director of Contextual Ministry regarding any changes to a student's status.

\*Students usually have particular interests, skills, characteristics, or qualities that somehow confirm or motivate their desire for ministry. Academic advising is the sharing of information between a student and advisor to promote responsible and appropriate choices resulting in a successful academic experience. Formational advising helps the student cultivate skills that are necessary for ordained ministry or vocational service, and are external and practical expressions of UU principles. Advisors need to observe students and assist them to grow humanly by offering them feedback about their general demeanor, their relational capacities and styles, their maturity, their capacity to assume the role of a public person and leader in a community, and their appropriation of the human virtues that will make them excellent ministers and leaders. Generally, this entails offering encouragement, support, and challenge along the formational path.

### 2.5.5 **Expectations for Students**

- It is the student's responsibility to make appointments with their advisor, ideally once in the fall and once in the spring. Understand that advisors lead demanding lives and have professional as well as family responsibilities, it is not reasonable for students to expect immediate access at all times. Request a meeting during the advisor's publicized office hours. If you need to reschedule or cancel a meeting, be prompt in notifying your advisor.
- For issues related to internships, CPE, teaching pastors, teaching mentors or credentialing, consult with the Director of Contextual Ministry.
- Consult with your advisor prior to registering for courses, particularly related to the composition of your concentration.
- Consult the Student Handbook before asking a question of the advisor.
- Come to meetings prepared with questions and ideas.
- Take notes and/or memorize suggestions made by your advisor so you can refer to them later.
- Expect constructive criticism to be part of the advising experience.
- Be attentive and responsive to the advice offered by the advisor.
- Make requests for letters of recommendations well in advance of deadlines whenever possible.
- Take responsibility for your actions or inactions as a student spiritual leader.
- Maintain appropriate boundaries and expectations with your advisor. Academic and formational advising will be provided; however, personal counseling, grief counseling, etc., must be sought outside of the advising relationship.

### 2.5.6 **Remedies for Adverse Advisor-Student Relations**

In the event that difficulties develop between an advisor and a student, students should contact the Vice President for Academic and Student Affairs to determine suitable options (if a student's advisor is the Vice President of Academic and Student Affairs, difficulties should be brought to the attention of the President.) Advisors should discuss the issue with the faculty to seek advice regarding potential solutions. If the issue cannot be resolved to the satisfaction of the concerned party, a change in advisors will be recommended by the Vice President of Academic and Student Affairs (or the President.)

## 2.6 [Finance Policy](#)

Meadville Lombard is a non-profit, educational institution. For questions about non-confidential budget items, contact the Vice President of Finance and Administration.

## 2.7 [Tuition and Fees](#)

Information on current tuition and fees can be found on our website (<http://www.meadville.edu/tuition-and-fees.php>).

## 2.8 [Student Accounts](#)

In the event of a past due balance of any nature on a student's account, diplomas will not be issued, enrollment for subsequent terms will not be allowed, and transcripts of college credits will not be released until the balance is paid in full. A "hold" will be placed on the student's account.

Federal financial aid awards are applied to student accounts based on the disbursement schedule for the term designated, and cannot be used to pay for outstanding balances from a prior term. Institutional tuition reduction awards and scholarships cannot be used to pay for fees or prior years' outstanding balances.

### 2.8.1 [Tuition Refund Schedule](#)

Students who withdraw all, or part, of their registrations will be granted a refund of the portion of the original tuition according to the procedure and schedule outlined on our website (<http://www.meadville.edu/tuition-and-fees.php>). Course and program withdrawals must be made in writing, on the approved form, and submitted to the Director of Student Records. Approval of any withdrawal, including the date on which the withdrawal takes effect, must be certified by the Director of Student Records.

- An approved reduction will be reflected on the invoice/statement issued by the Business Office after formal notification from the Director of Student Records of the student's withdrawal.
- A registered student is liable for all assessed charges until registration is formally withdrawn.
- A student who is permitted to change courses by dropping and adding one or more courses will be given full tuition credit for the courses dropped to be applied toward the tuition charges for the courses added if the drop and add occur simultaneously.
- A student whose registration is withdrawn for disciplinary reasons is not entitled to a refund of tuition.
- Fees are not refundable.

- When the deadline falls on a weekend, the deadline date will be extended to the following regular workday.

### **Fall and Spring Semester Courses**

The deadlines for tuition refunds for Fall and Spring Semester courses are as follows:

- End of the last week of registration per semester: Last day for full refund of tuition.
- End of the first week of classes per semester: Last day for 50% refund of tuition. No refunds after the first week.
- Institutional tuition reduction and scholarship awards are not available to pay for non-refundable, late withdrawal tuition balances.

#### **2.8.2 Returned Check Policy**

Meadville Lombard expects students to be responsible in their financial dealings with the School. However, we do understand that, on occasion, mistakes are made that may result in a check being returned by the bank.

In the event that a check is returned, an additional Returned Check Fee will be added to the student's account in the amount of \$30.00. Checks returned for reasons other than insufficient funds will be charged the Returned Check fee, and the student will be contacted to resolve the reason for the returned check. Remember, in order to graduate or register for future courses, accounts must be current.

Questions regarding student accounts or this policy can be addressed to the Business Office.

#### **2.8.3 Emergency Advance against Financial Aid**

In an emergency, students may receive an advance against their upcoming financial aid award, up to a maximum of \$1,000: assuming that at least that amount of financial aid (\$1,000) has been awarded for living expenses. This request should be submitted to the Vice President for Enrollment Management and Student Affairs. When financial aid is available to be released to a student's account, any amounts advanced will be reimbursed to MLTS before a check is released to the student.

### **2.9 Technology Requirements**

Significant aspects of learning for all students will be facilitated through various forms of technological media over the course of the degree program. In a distance learning format, technology and the associated equipment should be thought of as a “required textbook” that is necessary to complete the coursework. We *strongly* suggest that you have reliable and steady access to the internet, specifically through Broadband access that will allow you to participate more seamlessly in electronic classroom forums, video conferencing, podcasts, chat rooms, and

Populi. There will also be times when you will be exchanging documents with fellow students and faculty and using software such as Microsoft Word, Excel, and PowerPoint.

## 2.12 Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires that each institution of higher education in the United States that participates in federal student aid programs must prepare, publish, and distribute an annual report containing crime statistics and statements of security policy.

The Campus Crime Statistics and the Annual Security Report are available from the Vice President of Finance and Administration.

Meadville Lombard issues a warning report in a timely manner to students and employees via e-mail and text (if registered) regarding any emergency situation that represents an ongoing threat to the safety of those students and employees

## 2.13 Harassment

All forms of harassment by any member of the Meadville Lombard community are prohibited. These include, but are not limited to, harassment regarding sex, race, color, ethnicity, religion, national origin, age, disability, gender identification, or affectional orientation. The intent is to prevent actions that subvert the mission of the School and threaten the well-being, educational experience, and careers of students, faculty, and staff.

### 2.13.1 Title IX

Pursuant to Title IX of the Education Amendments of 1972 and the U.S. Department of Education's implementing regulations at 34 C.F.R. Part 106, the College's Title IX Coordinator has primary responsibility for coordinating the School's efforts to comply with and carry out its responsibilities under Title IX, which prohibits sex discrimination in all the operations of this School, as well as retaliation for the purpose of interfering with any right or privilege secured by Title IX.

Sexual misconduct against students, including sexual harassment, sexual assault, rape, and sexual exploitation, can be a form of sex discrimination under Title IX. The Title IX Coordinator oversees the School's response to reports and complaints that involve possible sex discrimination to monitor outcomes, identify and address any patterns, and assess effects on the campus climate, so the School can address issues that affect the wider school community.

Inquiries regarding Title IX should be referred to the Meadville Lombard's designated Title IX Coordinator(s):

## 2.14 Student Records and FERPA

The Buckley Amendment, also called the Family Educational Rights and Privacy Act of 1974 (FERPA), and related federal regulations, establish guidelines protecting the privacy of student records and give a college student the right (subject to certain exceptions) to review their “educational records,” and, within forty-five (45) days of formally requesting to do so, to challenge and/or seek to amend the contents if they believe the records are inaccurate, misleading, or otherwise in violation of the student’s privacy rights. FERPA also gives students the right to consent to the disclosure of personally identifiable information contained in the student’s education records, except to the extent that the law authorizes disclosure without consent.

FERPA permits disclosure of educational records without a student’s knowledge or consent under certain circumstances, including:

- Directory Information (if available).
- Meadville Lombard officials.
- Other institutions of higher learning.
- Federal and State Officials.
- Accrediting Organizations.
- Appropriate officials in case of health and safety emergencies.
- State and local authorities, within a juvenile justice system, pursuant to specific State law.
- Appropriate parties in connection with financial aid to a student.
- Parents of dependents.

FERPA provides students the right to file a complaint with the Department of Education concerning alleged failures by the School to comply with the Act. Written complaints should be directed to the Family Policy Compliance Office, U.S. Department of Education,

600 Independence Ave., S.W., Washington, D.C., 20202-4605.

## 2.15 Non-Academic Student Discipline Procedures

Misbehavior relating to moral character can be described in three ways: actions contravening accepted canons and standards of scholarship, actions contravening accepted canons and standards of ministerial practice, and actions seriously disrupting the educational experience of others. Actions that contravene accepted canons and standards of scholarship include plagiarism, cheating on examinations, or knowingly submitting a paper that has received credit in another course without previously receiving consent. Actions that contravene accepted canons and

standards of professional and ministerial practice include unethical conduct violating the rights of another person or of the School. Guides for this category can be found in the “Code of Professional Practice of the Unitarian Universalist Ministers’ Association,” “Ministerial Guidelines,” and the “Ministerial Fellowship Rules and Policies” of the Unitarian Universalist Association. Copies of the guidelines and policies are in the library. Students may also request a copy from the UUA’s Department of Ministry or the UU Ministers’ Association, or download them from their respective web sites.

Complaints relating to moral character may be brought to the attention of the Vice President of Academic and Student Affairs or designee by individual students, faculty members, or other members of the Meadville Lombard community. The complaints will be investigated by the Vice President of Academic and Student Affairs. The Vice President of Academic and Student Affairs or designee will conduct an investigation, determine whether to proceed with the charges, and, if so, propose the appropriate sanction. Students will have the opportunity to appeal any disciplinary action. The intention of the following procedure is to resolve such issues while providing immediate assistance and confidentiality to those students involved in non-academic disciplinary measures.

The Disciplinary Proceedings at Meadville Lombard include two phases: Administrative Conduct Procedure and Hearing Process.

#### 2.15.1 **Administrative Conduct Procedure**

1. Written Notification.
  - a. The Vice President of Academic and Student Affairs or designee will notify the student about the allegations of misconduct.
2. Investigation.
  - a. Allegations of misconduct will be investigated by the Vice President of Academic and Student Affairs or designee. Evidence can include statement of charges, police reports, witness testimonies, and other relevant data and information. The Vice President of Academic and Student Affairs may then consult with outside professional resources, including legal counsel, if necessary. Otherwise, the complaint will be kept confidential with that office.
3. Meeting with Student.
  - a. The Vice President of Academic and Student Affairs or designee will summon the student to appear for the purpose of discussing the allegation. The meeting can take place face-to-face or via an online platform. The refusal of a student to accept delivery of the summons, or failure to maintain and read student e-mails, will not be considered good cause for failure to respond.
  - b. If a student fails to appear without good cause, the Vice President of Academic and Student Affairs or designee may proceed with disciplinary action based upon other information available.
  - c. The student may wish to bring a supportive person to this meeting. The Vice President of Academic and Student Affairs or the designee may wish to include the student’s Faculty Advisor. This initial meeting will attempt to clarify the

specifics of the behavior of the student against whom a concern or complaint has been lodged. Ideally, this initial session will facilitate a resolution to the problem. A written summary of this resolution will be sent to the student and placed within the student's official Meadville Lombard file within seven (7) days of the resolution.

4. Review of Evidence and Interim Sanctions
  - a. The Vice President of Academic and Student Affairs or designee will review the evidence, determine whether to proceed with charges, and, if so, determine the sanction appropriate to the charges.
  - b. The student may be subject to probation, suspension, or dismissal, as decided by the Vice President of Academic and Student Affairs or designee.
5. Uncontested Cases with Agreed Sanctions
  - a. In any case where the accused student elects not to dispute the facts upon which the charges are based and agrees to the sanctions the Vice President of Academic and Student Affairs or designee assesses, the student may execute a written waiver of the hearing procedures and waiver of any appeals under the policy. This administrative disposition shall be final and there shall be no subsequent proceedings regarding the charges.
  - b. In those cases in which the accused student disputes the facts upon which the charges are based, the charges shall be heard and determined by a fair and impartial Hearing Committee in accordance with Section 2.15.2, below.

#### 2.15.2 Hearing Process

- a. The formal hearing process is initiated by a hearing form signed by the student (forms are available in the Vice President of Academic and Student Affairs' Office). The form must be completed within fifteen (15) working days of the end of the Administrative Conduct Procedure phase. The form is to be given to the Vice President of Academic and Student Affairs.
- b. Upon receiving the complete form, the Vice President of Academic and Student Affairs shall appoint a three-person Hearing Committee. In the event that the formal complaint involves the Vice President of Academic and Student Affairs, the President shall assume the function of the Vice President of Academic and Student Affairs within this process. Individuals implicated in the complaint cannot serve on the Hearing Committee, and the Hearing Committee shall respond to the complaint in writing within thirty (30) working days from receiving the hearing form.
- c. The investigative hearing and decision-making phases of the process shall begin promptly after the signed form is received.
- d. The Vice President of Academic and Student Affairs and the person charged with the misconduct are both to have an opportunity to present evidence to the charge and to respond to evidence presented by the other party. The Hearing Committee shall have the responsibility of determining what is relevant in each situation. The person charged has the opportunity to be represented.

- e. An audio recording of the evidence presented and considered by the Hearing Committee is to be kept under lock in the President’s Office.
- f. The decision of the Hearing Committee shall be based only on evidence presented to the Hearing Committee.
- g. The Hearing Committee has a variety of options available to it following its decision as to the merits of the complaint:
  - i. It may uphold the complaint and recommend to the Vice President of Academic and Student Affairs that:
    - 1. An unrecorded reprimand be given to the one charged.
    - 2. The one charged be given some recommendations and/or requirements.
    - 3. The appropriate body and/or individual be asked to add documents detailing (1) or (2) above to the official record of the one charged.
    - 4. The Vice President of Academic and Student Affairs suggest to the appropriate body and/or individual that disciplinary action be initiated against the person charged.
    - 5. The Vice President of Academic and Student Affairs initiate termination of the person charged through the established processes for that constituent group.
  - ii. It may dismiss the complaint, and:
    - 1. It may, upon request of the one charged, include that dismissal in the record of the one charged.
    - 2. It may decide to destroy the record.
    - 3. It may admonish the complainant.
    - 4. In extreme cases, it may recommend disciplinary action against the complainant as in (i.4) above.

## 2.16 Grievance against Faculty or Staff

If a student's complaint is based on alleged misconduct by school employees, including faculty and staff, the relevant disciplinary procedures should be used to resolve the complaint.

Staff: Alleged misconduct by the school staff or administrators should be reported to the accused's supervisor who will review the facts. If misconduct is found, the supervisor may take corrective action in accord with applicable personnel policy.

Faculty: Alleged misconduct by faculty members should be reported to the Office of the Vice President of Academic and Student Affairs who will review the facts. If misconduct is found, the Vice President of Academic and Student Affairs may take corrective action in accord with applicable faculty policy.

## 2.17 Sanctions

The following sanctions may be assessed singularly, or in any combination, by the Vice President of Academic and Student Affairs or designee and/or by the Hearing Committee, as applicable, in accordance with these procedures:

- A written warning that further violations may result in a more severe penalty.
- Disciplinary probation. The student is not eligible to register until a plan of action is developed.
- Reimbursement for damage to, or misappropriation of, Meadville Lombard's property.
- Suspension of rights and privileges, including participation in extracurricular activities.
- Suspension from Meadville Lombard for a specified period of time.
- Expulsion (permanent separation from Meadville Lombard) and bar against readmission.
- Other sanction as deemed appropriate under the circumstances.

### 2.17.1 Appeal Policy

If a student is assigned a disciplinary action after the hearing, the student has the right to appeal to the President based on the following criteria:

- a. New evidence is available that was not submitted at the Administrative Conduct Procedure phase or the Hearing Process.
- b. The conduct process as described above was not followed.

The student has seven (7) calendar days from the delivery of the decision from the Hearing Committee to file an appeal. Appeal requests may be denied in cases not having sufficient grounds in one or more of these areas.

After reviewing the appeal, and depending upon the demonstrated grounds for appeal, the President may take any of the following actions: affirm the charge, impose greater sanctions, or impose lesser sanctions.

## 2.18 Alcohol and Drug Policy

Meadville Lombard recognizes both alcohol and drug abuse as potential health, safety, and security problems. The School expects everyone to assist in maintaining an environment free from drug and alcohol abuse. Meadville Lombard prohibits all students and employees from the unlawful manufacture, possession, use, distribution, sale, or purchase of alcohol and drugs on its premises, or as part of any School activity, and prohibits work performed under the influence of alcohol or illicit drugs. Meadville Lombard allows moderate consumption and/or possession of alcohol on School premises at approved functions (e.g., receptions) by those legally permitted to consume or distribute alcohol. Such functions must comply with the following guidelines:

- At all events at which alcoholic beverages are available, nonalcoholic beverages and snacks will be made available in quantity and variety.

- At a school-sponsored meal where alcohol is available at the beginning of the gathering, it will not be replenished throughout the duration of the gathering.

All members of the Meadville Lombard community are responsible for being fully aware of the requirements of federal and Illinois statutes and Chicago ordinances concerning the consumption, possession, and sale of alcohol and other drugs. The School expects each member of the community to be responsible for their own conduct, and the consequences of that conduct. Various federal and state laws prohibit the possession, distribution, and use of controlled substances, unless in compliance with licensing requirements or a doctor's prescription. Moreover, Illinois law prohibits the consumption and possession of alcohol by persons under the age of 21, and the supplying of alcohol to any person under the age of 21. Additionally, Illinois law prohibits the sale of alcoholic beverages except by those licensed to sell such beverages. Finally, Illinois law and city ordinances also prohibit public intoxication, operation of a vehicle or bicycle under the influence of alcohol or other intoxicants, and consumption of alcohol in a public place. Violation of these laws or other laws relating to drugs and alcohol may result in probation, fines, imprisonment, and a permanent criminal record.

### 2.18.1 Sanctions Pertaining to Alcohol and Drug Use

Besides legal consequences, the unlawful possession, use, or distribution of illicit drugs and alcohol, and any violation of the School Alcohol and Drug Policy by a student, will result in appropriate discipline under the student disciplinary procedures in Section 2.17. Sanctions include, but are not limited to: discharge from student employment, probation, suspension, or expulsion from the School. The School retains full and final discretion on whether, when, and under what conditions a student may be reinstated or reemployed after an instance of alcohol abuse and/or improper drug use. Student organizations violating this policy are also subject to sanctions, including— but not limited to— probation and removal of recognized student organization status. The particular sanction in a given case will depend on such factors as the nature of the individual or organization, and may include the successful completion of an approved rehabilitation or chemical dependency program.

In order for Meadville Lombard to comply with federal law, student employees who are convicted for any violation of any criminal drug statute (including misdemeanors) for a violation occurring either on Meadville Lombard property or during working time must notify the Vice President for Enrollment Management and Student Affairs within five (5) days of the date of conviction. A conviction includes any plea or finding of guilty, any plea of *nolo contendere* (no contest), and/or any imposition of a fine, jail sentence, or other penalty. Pursuant to federal law, if the convicted employee is working on a project funded through federal grant or contract, the School is required to notify the relevant federal contracting or grant agency within ten (10) days of receiving such notice of conviction.

## 2.18.2 Counseling, Treatment, and Referral

Meadville Lombard, as a concerned community, recognizes that in our society and our community there exist numerous illnesses, among which are alcoholism and other chemical dependencies. It is Meadville Lombard's policy to encourage the earliest possible identification, intervention, and appropriate aid for anyone suffering from these harmful dependencies. Such illnesses manifest in the impairment of one's bodily, mental, social, and spiritual capacities and— unless arrested and treated— can lead to irreparable damage. Extensive experience indicates that persons afflicted with these illnesses are usually blind to developing symptoms in themselves and are rarely capable of effective self-help. Hence, the Meadville Lombard community recognizes the need to develop a procedure to facilitate proper education, intervention, diagnosis, treatment, and recovery.

### 2.18.3 Procedure

The following procedure is designed to serve as a resource for students seeking aid in recovery:

1. Any student who becomes aware of their own need, or knows someone who suffers from these illnesses, is encouraged to seek advice and/or assistance from the Vice President for Enrollment Management and Student Affairs; any and all inquiries are kept confidential.
2. The Vice President for Enrollment Management and Student Affairs, along with professional consultants, will assess the dependency, evaluate its seriousness to the individual, and provide appropriate recommendations/referrals for help.
3. Anyone who is referred, or who seeks assistance, may become a part of the evaluative procedure in determining what course of action is best suited for that individual.
4. Every effort will be made by the School to cooperate with any student undergoing treatment and to minimize disruption of studies during treatment. To further guarantee confidentiality, only the Vice President for Enrollment Management and Student Affairs and the President (if necessary) will know the reasons for any related leave granted.

The primary objective of this policy is one of concern, formulated in the hope of relieving pain and suffering, as well as restoring the individual to health, dignity, and a productive, rewarding involvement in their school, ministry, and/or community.

## 2.19 International Formation

## 3 Academic Policy and Procedures

---

### 3.1 Educational Goals

The Master of Divinity degree curriculum is designed to challenge and support students in an ongoing process of developing their individual and unique gifts for service in the liberal religious community. It provides a foundation of basic preparation for ministry centered in the following values:

**Liberal religious heritage:** The ability of students to read themselves deeply, passionately, and critically into the story of liberal religion, especially Unitarian Universalism, as part of the larger human story.

**Excellence in ministerial practices:** The ability to demonstrate a significant understanding of, and progress in, the basic arts and skills of ministry. This includes leadership and administrative skills, worship leadership, religious education, preaching, pastoral care, and prophetic ministry in the larger community.

**Intellectual capacities:** The capacities that will open students to the fields of intellectual discourse, allowing them to make significant contributions to the cause of liberal religion.

**Moral vision grounded in an engagement with a diverse world:** A deep, moral engagement with the world, celebrating its rich diversity, and confronting its problems of oppression, injustice, poverty, and environmental degradation.

**Personal readiness:** Personal self-awareness, resilience, humor, good judgment, ethical and moral integrity, a well-tested seriousness of intent, and the ability to balance personal needs with the needs of ministry.

**Spiritual depth:** A spiritual depth united with disciplines that aim to preserve and increase that depth as students encounter the challenges and distractions of a ministerial life.

**Interdependence:** Ability to exercise collaborative leadership of the church understood as a covenant community learning institution and agent of broader cultural transformation.

### 3.2 Degree Programs

*Meadville Lombard offers the following degree programs:*

#### 3.2.1 **The Master of Divinity**

This degree program prepares students for religious leadership in congregations, or in any place that a student may choose to serve. Graduates of this degree program hold positions as ordained ministers in congregations, as leaders of community or not-for-

profit organizations, and as chaplains in hospitals, correctional facilities, and hospice centers.

### 3.2.2 **Master of Arts in Leadership Studies (MALS)**

The Master of Arts in Leadership Studies (MALS) provides advanced work for lay leaders, ministers, and ministerial students in the theory and practice of leadership within congregations and community-based ministries.

The MALS degree is designed to develop liberal religious leadership for congregational and community life; it is grounded in a clear sense of the current challenges leaders face amidst our contemporary pluralistic, multi-faith, cross-cultural world.

### 3.2.3 **The Master of Divinity/Master of Arts in Leadership Studies Dual Degree Program**

This dual degree program allows students to complete the three-year Master of Divinity Program, while simultaneously completing most of the coursework for a second, experiential-based Master of Arts in Leadership Studies (MALS). In the dual degree program, students will complete an additional year comprised of an immersion internship, plus thesis work.

### 3.2.4 **The Master of Arts in Religion**

This degree stresses opportunities for personal discernment and in-depth study in specific areas of concentration.

## 3.3 **Core Curriculum Requirements**

### 3.3.1 **Master of Divinity**

#### 3.3.1.1 *Contextual Learning Model*

Under the Contextual Learning Model, the Master of Divinity degree program consists of ninety (90) units anchored by and organized around three Signature Courses: Community Studies, Congregational Studies, and Leadership Studies. The Signature Courses are multi-unit, interdisciplinary courses that integrate practical fieldwork and seminar learning. In addition to the Signature Courses, students may meet their total unit requirements by taking nine (9) units of Clinical Pastoral Education and a combination of traditional courses and rotations (fieldwork that supplements traditional courses).

All students (part-time and full-time) will be required to complete each Signature Course during one academic year.

Full-time students can plan on completing the M.Div. degree in three years, and the dual Master's degree in Leadership Studies in four years. For part-time students, it may take as long as six years to complete the M.Div. program, and seven years to complete the dual degree program.

Below is a list of core requirements for these degrees (in bold). We do recommend that certain academic courses be taken as early in the program as possible (Introduction to Pastoral Ministry, Arts and Aesthetics, and Liberal Theology), but we also recognize that these classes may not be offered each year. Faculty Advisors are available to help students set the schedule they need in order to complete the degree requirements.

Students matriculated in the M.Div. degree program are allowed to transfer up to twenty-seven (27) credits from prior graduate work, with approval from the faculty. Once students matriculate, they may take up to nine (9) credits outside of Meadville Lombard Theological School, at another accredited graduate institution. Students may take as many as twelve (12) credits at any of the Association of Chicago Theological School member schools.

### **3-Year Required Course Plan**

In order to facilitate the completion of a Master of Divinity degree within 3 years, students matriculating in the Summer or Fall of 2017 will be required to follow a 3-Year Course Plan, as outlined below. In general, an M.Div. degree requires 90 total credits:

### 3.3.1.2 ***UUA Credentialing Requirements***

In order to be granted Ministerial Fellowship with the UUA Master of Divinity, students need to prepare for credentialing throughout their studies, beginning even before they enter the degree program. Meadville Lombard works closely with its students to insure that they have the opportunity to meet the requirements of the Ministerial Fellowship Committee (MFC) credentialing process. MFC guidelines are subject to change, and so it is important that students remain on top of the current guidelines. For the most current and complete information on UUA requirements for UU Fellowship, please see the UUA website (<http://www.uua.org/>). Among the items that may be found there are “The Requirements for Ministerial Fellowship with the Unitarian Universalist Association” handbook, forms, and scholarship information.

### 3.3.2 **Master of Arts in Leadership Studies (MALS) and MALS with a Concentration in Lay Ministry**

The Master of Arts in Leadership Studies (MALS) provides advanced work for lay leaders, ministers, and ministerial students in the theory and practice of leadership within

congregations and community-based ministries. As mentioned before, the MALS degree is designed to develop liberal religious leadership for congregational and community life, grounded in a clear sense of the current challenges leadership face within our contemporary pluralistic, multi-faith, cross-cultural world.

### 3.3.2.1 *Context:*

The MALS with a Concentration in Lay Ministry is designed for people whose ministries seek to effect change by addressing the social and spiritual needs of people and organizations outside the direct care of congregations. It prepares lay ministers to bring the artistry of cross-cultural and multiracial leadership to their ministry. The program incorporates a unique series of courses and real world engagement that integrate personal awareness, professional proficiencies, and global consciousness for more mindful, compassionate leadership in any organizational context.

### 3.3.2.2 *Educational Goals:*

- Develop leadership skills for a pluralistic, multi-faith, cross-cultural world.
- Develop competency in the history, theology, and polity of one's own religious community.
- Demonstrate spiritual and ministerial discernment through course work, site supervision, and thesis.
- Utilize the insights of leadership and organizational theory in parish and/or community ministry.
- Demonstrate leadership specific to area of specialization (such as R.E., worship, youth ministry).
- Participate in discourse with diverse constituencies of the Meadville Lombard community.

### 3.3.2.3 *Degree requirements:*

Successful completion of 36 units of credit (1 full course = 3 units of credit) are required. Of the 36 credits, students will receive 6 units of credit for the thesis, 18 units of credit for a supervised full internship OR 9 units of credit for a supervised half internship, and, depending on the internship option chosen, either 12 or 21 units of credit for intensive academic coursework.

## **REQUIRED COURSES FOR MALS**

- 1 course in each of the following areas: Theology, History, Scripture, Religious Education.
- Depending on internship option chosen, students may choose either 1 course or 4 courses from the following areas: global issues, theology and ethics of community

engagement, theology and ethics of border crossing, professional boundaries, fundraising and administration, spiritual practices, cross-cultural and multiracial community leadership, religious education, compassionate communication.

## **DEGREE REQUIREMENTS FOR MALS WITH A CONCENTRATION IN LAY MINISTRY**

Successful completion of 36 units of credit (1 full course = 3 units of credit) are required. Of the 36 credits students will receive 6 units of credit for the thesis, 9 units of credit for the Community Studies Internship and Seminar, and 21 units of credit for intensive academic coursework.

## **REQUIRED COURSES FOR MALS WITH A CONCENTRATION IN LAY MINISTRY**

- 1 course in each of the following areas: Theology, History, Scripture, Religious Education.
- Then choose 3 additional courses from the following areas: global issues, theology and ethics of community engagement, theology and ethics of border crossing, professional boundaries, fundraising and administration, spiritual practices, cross-cultural and multiracial community leadership, compassionate communication.

## **TRANSFER CREDIT (enables a dual degree with the M.DIV.)**

Up to 12 units of credit may be transferred from another graduate degree program. All transfer credits must be pre-approved by a student's academic advisor. Transferred credits will not appear on the Meadville Lombard transcript with a letter grade (only the credit is transferring) and the letter P, for Pass, will accompany all transferred credits.

### **3.3.3 Master of Divinity/Master of Arts in Leadership Studies Dual Degree**

Students enrolled in the Master of Divinity degree may also enroll in the M.Div./MALS dual degree program. The procedure for applying for admission into the dual degree program, or for being released from a requirement to be so enrolled, are described below:

#### **3.3.3.1 *Requests to apply to the dual degree program***

Students currently enrolled in the Master of Divinity degree program may apply to be considered for the Master of Arts in Leadership Studies dual degree program at any time before their graduation from the Master of Divinity degree program. However, because the admissions process requires a project proposal and because you may wish to be considered for Institutional Tuition Reduction, **you must request admission by March 15 of your final year in the M.Div. degree program.** Students seeking to complete the supervised internship component of the MALS in the context of a congregation should follow the guidelines posted on the UUA's website and pay close attention to those deadlines.

Current students seeking admission into the MALS degree program are advised to follow these steps:

1. Request a meeting with your Academic Advisor or the Vice President of Academic and Student Affairs to consider ideas for the internship and thesis components of the degree and to determine what academic courses are still required for the completion of the degree.
2. Draft a project/internship proposal as a result of that meeting and submit it to the Vice President of Academic and Student Affairs as the application for admission to the MALS dual degree program.
3. The faculty will meet to determine if the project proposal meets the requirements of the degree program.
4. The Vice President of Academic and Student Affairs will contact you with the admission decision.

#### 3.3.3.2 *Requests to be relieved of MALS requirement*

On occasion, students are admitted into the Master of Divinity degree program with a qualification that they complete the dual degree program. These admissions decisions are made for many and varied reasons, and a student may make a formal request to the faculty to be relieved of this requirement during their Congregational Studies or Leadership Studies years. The procedure for making such a request is as follows:

1. Contact your Faculty Advisor in writing to request to be relieved of the requirement to complete the dual degree. This request should include:
  - a. A copy of the admissions decision which stipulates the requirement (you may request a copy of this letter from the Director of Student Records if you cannot locate your original copy).
  - b. A statement as to why you believe the Master of Divinity degree is sufficient for your formation.
2. The Faculty Advisor will bring the request to the faculty to review the request and determine the disposition as follows:
  - a. Approved (no further action required);
  - b. Deferred (may require further action or documentation from either the Teaching Pastor or Signature Course faculty; or the faculty may think the request is premature and request that you re-petition during the Leadership Studies Signature Course); or
  - c. Denied (faculty believes that the dual degree continues to be the best formation route).
3. Faculty will communicate the decision to the Vice President of Academic and Student Affairs, who will then contact you with the decision.

### 3.3.4 Master of Arts in Religion

A total of forty-eight (48) credits are required for the Master of Arts degree. Twelve (12) credits are granted for a thesis written in consultation with a Faculty Advisor. Of the remaining thirty-six (36) credits, eighteen (18) must be taken at Meadville Lombard, and at least four (4) courses must be taken from the Area of Concentration\*. The remaining courses for the degree must be taken in four of the following eight disciplines: Ethics, Theology, Religious Education, Religion and the Arts, the Historical Context of Ministry, Ministry and the Church, and the Cultural Contexts of Ministry.

\*The Area of Concentration can be chosen from the following areas:

- Ethics
- Theology
- Religious Education
- History

## 3.4 General Academic Policies (Applicable to all degree programs)

### 3.4.1 Credits

Meadville Lombard assigns three (3) units of credit to intensive courses that meet for 37.5 class hours. Half-credit classes are also available, as are multi-unit courses that include our integrated internship. Our credit requirements are as follows:

- Ninety (90) units are required for the M.Div. degree (one hundred and eight [108] units required for all M.Div. students matriculating into a M.Div. degree program before September 2009.)
- Thirty-six (36) units are required for the MALS degree.
- Forty-eight (48) units are required for the MAR degree.

### 3.4.2 Grades

	A = 4.0	A- = 3.67
B+ = 3.33	B = 3.0	B- = 2.67
C+ = 2.33	C = 2.0	C- = 1.67
D+ = 1.33	D = 1.0	D- = 0.67

F = Failing; non-credit

- A- Exceptional graduate-level attainment, with conspicuous excellence in most respects, but not uniformly so.
- B+ Superior level of attainment, marked by consistently good work, advanced understanding of the material, clear logic, circumspect judgments, originality, and strong global focus.
- B Good work, with general indication of constructive ability in application.
- B- Satisfactory achievement, with assignments completed accurately and on time, but without significant evidence of excellence or distinction.
- C+ Adequate attainment with some ability to use knowledge of the course and meeting minimal expectations.
- C Attainment below minimal standards with less than adequate performance in writing, demonstrating familiarity with the course, completing assignments, utilizing facts, and forming interpretations.
- D Serious inadequacies in preparation, logic, information, and use of sources.
- F Work is unacceptable and fails to meet requirements.

#### 3.4.2.1 *Grade Averages*

A student matriculated for a degree must maintain an average above a “B” in the academic program. A student may repeat a failed course, but cannot receive Institutional Tuition Reduction for the repeated course. A student’s failure to achieve a “B” average by the end of the first year will result in probation. A “B” average must be achieved by the end of the second year of study, or enrollment may be suspended or terminated.

(Note: As of 1/1/01, Meadville Lombard Faculty voted to not include a grade of P when computing grade point averages. A grade of P is equivalent to a B.)

Pass grades (“P”) are excluded from the computation of the GPA when computing for the “B” average needed to graduate.

### 3.4.2.2 *Policy for “P” (Pass) Grade*

Each professor will designate whether they will offer the class for a letter grade or Pass/Fail. If they do not designate on their syllabus what the grading requirements are, the default will be a letter grade. A student wishing for Pass/Fail grading in such a class must petition the professor for approval to receive such a grade by the posted drop/add date.

### 3.4.3 **Registration Procedure**

Students are encouraged to register for classes online (see 3.4.3.1 for instructions). Under certain circumstances, a student may need to register directly with the Director of Student Records; this can be done via e-mail (from Meadville.edu accounts only), via phone, or via fax using the Course Registration Form.

#### 3.4.3.1 *Online Registration using Populi*

To register for courses, go to your **Profile** and click the **Registration** tab. Courses you are currently registered for will be listed under the **My Courses** header.

To register for a course section, find it in the Available Courses table and click the  in either the **Enroll** or **Audit** column next to it. The course will appear under My Courses.

As you select courses, those remaining in the Available Courses section will update their information in relation to your selections.

If you register for a course section, the “enroll” and “audit” buttons for the other sections of that same course inactivate themselves (.

To drop a course during the registration period, click the  next to the course under My Courses. You cannot drop a course after the term’s drop/add date without withdrawing and getting a “W” for that course on your transcript. You will also need to pay any fees if applicable.

To add or drop a course after the registration period has ended, see section 3.4.6.

**Don’t Forget to Save!**

#### 3.4.3.2 *ACTS/University of Chicago Registration*

Matriculated students have the opportunity to cross-register for classes at any of the ACTS schools (Association of Chicago Theological Schools) and at the University of Chicago (see Section 3.7.4), but are limited as to how

many of these classes may be counted toward the completion of their degree program. Students may take as many as four (4) classes at ACTS member schools and as many as three (3) courses at the University of Chicago.

- **ACTS Cross Registration:** Contact the Director of Student Records at Meadville Lombard to obtain and complete the ACTS Cross Registration Form; save it as a Word document, then e-mail it to the Director of Student Records. Before completing the form, however, verify that the desired course is indeed being offered by referring to the most recent course schedules available in the ACTS catalog or on the secondary school's website.
- To take a course at the University of Chicago (U of C), students must first get their Faculty Advisor's approval. The student will then be given a Bi-Registration form to complete. The Director of Student Records will sign and return the form to the student, then the student will submit it to the Office of the Registrar at the U of C Divinity School (Swift Hall, Room 103). The Divinity School Registrar will process the registration. Meadville Lombard students must register with the Divinity School Registrar regardless of the course/school for which they are registering (SSA, Divinity, Business, etc.). NOTE: When taking a U of C course, students must maintain contact with the Meadville Lombard Registrar and the Divinity School Registrar to assure that no problems occur.

#### 3.4.4 **Background Check**

Effective 6/30/17, all students (with the exception of international students) will receive a background check as part of their enrollment at Meadville Lombard. Students will fill out the background check paperwork as part of the admissions process. Student Affairs will conduct a background check on the entering students at least one month before the beginning of Community Studies. Students admitted prior to the inception of this policy will also be required to undergo a background check.

#### 3.4.5 **Supportive Space Policy**

We recognize that there may be times when someone feels emotionally raw and vulnerable in the classroom. By its very nature, there are times when ministerial formation and theological education will not feel "safe." However, we strive to make the classroom a supportive space so that we can continue the work of transformation and growth. Please be in conversation with your professor so that they can point you toward support and resources. Meadville Lombard provides the following resources for students who may be triggered in the classroom:

- Availability of the chaplain during Fall and Spring Intensives.
- A list of area counseling resources available by request from the Student Affairs and the Director of Contextual Ministry.

### 3.4.6 Drop/Add and Deadlines

The Registration Periods for the Fall, Spring, and Summer Semesters are designated on the Academic Calendar, as published on our website each academic year. These registration dates vary from year to year, according to how the calendar is established in relationship to classes at other schools in the ACTS consortium, and to classes at the Divinity School at the University of Chicago. For more information about refunds, please see Refund Policies.

Students must contact the Director of Student Records in order to add or drop a course after the registration period has ended. The student will complete an Drop/Add Form (page 83) and submit this to the faculty and Registrar. The student will then be given a copy of the program change. If the program change results in a tuition/fee adjustment, the adjustment will be made at that time and the student will receive a copy of the adjustment.

If a student is adding or dropping a U of C course, after they make the program change with the Meadville Lombard Registrar and receive their copy of the Drop/Add Form, they must take their form to the Divinity School Registrar to assure the proper program change. The Divinity School Registrar will then give the student the proper forms for the U of C program change. If the student by-passes the Divinity School Registrar, they risk losing health insurance, library privileges, gym privileges, and their program changes will no longer be guaranteed.

### 3.4.7 Withdrawal

MLTS takes seriously the decision of any student to suspend studies and withdraw from their program. If you are considering such actions, you are strongly encouraged to seek the advice of your Advisor. To officially withdraw from MLTS, an Official Withdrawal Form must be completed and submitted to the Registrar's Office. The effective date of withdrawal is the date on which a written statement of withdrawal and the form is submitted and received by the registrar.

**NO** reduction of tuition is made after the drop/add period for students who withdraw from one or more courses but remain registered in other classes.

**NO** adjustment is made for students who drop from full-time to part-time credit hours after the drop/add period. Failure to attend class is not a withdrawal, and you will not receive adjustment of charges if you do not attend class.

When a federal student aid recipient withdraws, officially or unofficially (see below), after attending at least the first class day, the university will return a prorated portion of funds received based upon a federally required calculation. Under the Higher Education Amendments of 1998

(<http://www.ifap.ed.gov/fsahandbook/attachments/1617FSAHbkVol5Master.pdf>), the

amount of aid a student has earned for the enrollment period is based on the length of time the student remains enrolled for that period. Therefore, the percentage of the enrollment period completed is also the percentage of aid the student has earned.

- If a student withdraws on/before the 60% point of the enrollment period, the percentage of aid earned is equal to the percentage of time completed.
- A student who remains enrolled beyond the 60% point of the enrollment period has earned 100% of the aid for that period. (There would be no unearned aid.)

Return of funds due by the School and the student are charged back to the student's university student account and returned to the applicable student aid programs. The return of funds may repay funds to the university. A letter of return notification is mailed to the student's permanent home address.

If MLTS records show a federal student aid recipient never attended a class and/or never performed an academically related activity, or drops all classes or voids their schedule for a semester or term, then the aid recipient never established eligibility for any aid funds that may have been disbursed for that semester or term. In these situations, the student aid recipient must repay the entire amount of aid disbursed for that semester or term. If a student withdraws with an effective date of the first class day, no attendance is assumed and they must repay the entire amount of aid disbursed for that semester or term.

A student who withdraws from a class or receives a non-passing grade **MUST** have attendance in those classes to keep their Pell Grants. The Financial Aid Office will verify attendance for all students who receive a Pell Grant then withdraw from a course at any point in the semester or receive a non-passing grade at the end of the semester. If a student never attended the class, the Pell Grant funds paid for those classes will be returned to the Department of Education and the student will be responsible for any charges on their student account.

If a student withdraws from the Fall Semester prior to the last 30 days of the term, and received a Federal Stafford Loan that was certified for both the Fall and Spring Semesters, they will have to re-apply for their Spring Semester loan. If a parent or guardian borrowed a Federal Plus Loan on their behalf, *and* the loan was certified for both the Fall and Spring Semesters, *and* they withdraw from the Fall Semester prior to the last 30 days of the term, the parent or guardian will have to re-apply for the Spring Semester loan by completing another Plus Information Request Form. A new loan will be certified for the spring only enrollment period.

**Unofficial Withdrawal:** Federal student aid recipients who begin attending classes during a semester, who cease attending or performing academic activities prior to the end of the semester, and never complete an Official Withdrawal Form are considered by the federal government to have Unofficially Withdrawn. At the end of each semester, after final grades are posted, student's instructors will be contacted to document attendance/academic activity for students who unofficially withdrew. If no attendance or

academic activity can be documented, the Unofficial Withdrawal student is not eligible for aid received and must repay the entire amount of aid disbursed for that semester or term. If MLTS records indicate that a student did begin attending classes but the last of attendance or academic activity is unknown, then MLTS will consider the Unofficial Withdrawal date to be the midpoint of the semester, and a federal return calculation will be based on the midpoint date. If the student did begin classes and the last date of attendance or academic activity is known, then the Unofficial Withdrawal date is that last day of attendance and a federal return calculation will be based on the date. The return of funds may require the student to repay funds to the university. A letter of return notification is mailed to the student at their permanent home address.

**Non-federal funds** will be returned based on Institutional/State policy. Non-federal funds will be returned if MLTS records show that the aid recipient never attended a class and/or never performed an academically related activity for a semester or term, for then the recipient never established eligibility for any aid funds that may have been disbursed for that semester or term. If a student withdraws with an effective date of the first day of class, no attendance is assumed and the student must repay the entire amount of the aid disbursed for that semester or term. In addition, any aid recipient who drops all classes or voids their schedule for a semester or term does not establish eligibility for any aid funds that may have been disbursed, and the aid recipient must repay the entire amount of aid disbursed for that semester or term. Scholarship and other institutional funds will also be reduced and returned to the original funds if the student's account refunds adjustments for withdrawing creates a credit balance made up of those funds. In these cases, the scholarship and other institutional funds will be reduced and returned to eliminate the credit balance of those funds.

Note: The information contained in this section is subject to change without notice in order to comply with federal, state, or university requirements.

### 3.4.8 **Return after Withdrawal**

If you withdraw voluntarily and seek to reapply within two years, you can reapply with a short application and an essay of 500 words. If you have been withdrawn for more than two years, you will need to submit a full application.

## 3.5 [UU Fellowship and CPE Policies](#)

### 3.5.1 **UU Fellowship Process**

The Ministerial Fellowship Committee requires that aspirant status be attained before starting an internship. What aspirant status provides is support from the Office of Ministerial Credentialing, and potentially the UUMA. In order to be approved to begin a congregational internship, Master of Divinity students must post their official

confirmation of receiving aspirant status to Sig Docs by the end of the Spring Semester of their first year.

Waivers will only be granted to students who are not pursuing fellowship with the UUA; deferrals will not be granted at all.

#### 3.5.1.1 *Procedure for Receiving a Waiver:*

1. Students seeking a waiver must submit a petition form via Populi to the Director of Contextual Ministry explaining that they are not pursuing fellowship with the UUA. This form is found at <http://bit.ly/2tmgHsy>.
2. The Director of Contextual Ministry will notify the faculty of the decisions regarding the waiver.
3. The Director of Contextual Ministry will notify the student via e-mail that the waiver has been granted and that if they later decide to pursue UUA fellowship, they must meet with the Director of Contextual Ministry to develop a timetable for attaining aspirant status. Failure to do so will impact their eligibility for graduation. The advisor will also be copied on this e-mail. The Director of Contextual Ministry will post the e-mail on the Student's Populi account.

#### 3.5.2 **Career Assessment**

**Career Assessment is currently under review.**

#### 3.5.3 **Clinical Pastoral Education**

Clinical Pastoral Education (CPE) is a requirement for the fellowshipping process. Because of the costs, applications process, and limited availability, students must be proactive in order to be able to complete this requirement. We require CPE before the congregational internship begins so that a student may enter their internship having worked on their ministerial presence.

Master of Divinity students must complete CPE during the summer after their first year in order to be approved to begin a congregational internship in the Fall.

Waivers are rare, and will only be considered for extreme cases. Deferrals may be granted for extenuating circumstances including, but not limited to: health issues, deaths, economic hardship, difficult getting accepted to a site. Deferrals may be for a full or part-time CPE program concurrent with the first year of internship, or the summer after that first year of internship.

#### 3.5.3.1 *Procedure for Receiving a Waiver:*

1. The student must submit a petition form via Populi to the Director of Contextual Ministry explaining the reasoning for the request. This form is found at <http://bit.ly/2tmgHsy>.

2. The Director of Contextual Ministry will review the request and consult with the student's advisor.
  - a. If a deferral request is for a full or part-time CPE unit concurrent with the first year of internship, the Director of Contextual ministry will talk with the student about the difficulties of doing an internship and CPE at the same time. If the student is still interested in pursuing the waiver, the Director will continue to process the petition.
  - b. The Director of Contextual Ministry will make a decision based on the petition and the conversation with the advisor.
3. If a deferral is not granted, the student will have to delay the beginning of their internship until they have completed the CPE.
4. The Director of Contextual Ministry will notify the faculty of the decision regarding the deferral.
5. The Director of Contextual Ministry will notify the student via e-mail whether or not the deferral has been granted, and for what terms. The advisor will be copied on the e-mail. The Director of Contextual Ministry will post the e-mail on the student's Populi record.

#### 3.5.4 CPE Withdrawal Policy

Withdrawing from CPE is read as a red flag that something major is happening in a student's life. Here at Meadville Lombard, we feel that it is important that we be aware of these issues. Since the CPE grade is dependent on successfully passing CPE, a dismissal is tantamount to failing the CPE program, and will be recorded as such on the student's transcript.

If a student wishes to withdraw from CPE course, they must get approval from the Director of Contextual Ministry. Approval will be based on the reason for the withdrawal. If a student is dismissed from a CPE program, that will result in a failing grade for CPE.

##### 3.5.4.1 *Procedure for Withdrawal:*

1. The Director of Contextual Ministry will investigate the reason for the withdrawal.
  - a. The Director of Contextual Ministry will arrange to discuss with the student their reason for withdrawing.
  - b. The Director of Contextual Ministry will also talk to the CPE Supervisor to find out if there are any issues of which we should be aware.
2. The Director of Contextual Ministry will consult with the advisor about the withdrawal.
3. The Director of Contextual Ministry will use the investigation and consultation to determine the next steps:

- a. If there are no signs of behavioral or formational issues present, the withdrawal may be granted.
  - b. If the withdrawal is for behavioral issues that indicate a concern about a student’s moral character, a review under the Non-Academic Student Discipline Procedures will be initiated.
  - c. If the withdrawal is for formation issues that will severely impede a student’s ability to minister, a review under the Academic Good Standing Policy will be initiated.
4. If a student has been dismissed from the CPE program, they cannot withdraw and they will receive a failing grade for the CPE course. In order to graduate, they will need to successfully complete another unit of CPE.
  5. The Director of Contextual Ministry will notify the student via e-mail whether or not the waiver has been granted and for what terms. The advisor will be copied on the e-mail. The Director of Contextual Ministry will post the e-mail on the student’s Populi record.

#### 3.5.4.2 *Procedure for Appeal:*

If a student wishes to appeal a decision by the Director of Contextual Ministry regarding CPE or Career Assessment, they may appeal to the faculty.

1. Submit a letter of appeal to the Vice President of Academic and Student Affairs.
2. The Vice President of Academic and Student Affairs will ask the Director of Contextual Ministry for a rationale for their decision.
3. The Vice President of Academic and Student Affairs will bring the letter of appeal and rationale to the faculty.
4. The faculty will decide whether to approve or deny the appeal.
5. The Vice President of Academic and Student Affairs will notify the student via e-mail whether or not the appeal has been granted.

### 3.6 Incomplete Policy/Academic Good Standing Definition

The mark, “I” (Incomplete), indicates that a student registered for course credit but has not submitted all the evidence required for a qualitative grade, but has made satisfactory arrangements with the instructor prior to the original date when work was due. The mark, “I,” is given only under special circumstances, and the final determination rests with the instructor.

#### 3.6.1 **Incomplete Policy Procedures:**

1. The maximum allowable time for an extension is one term after the end of the term in which the course was taken (for example: coursework for an Incomplete taken in Spring Term must be completed by end of Summer Term).
2. Before the last day of the term in which the course is being taught, the student must arrange with the instructor for an Incomplete.
3. Procure an Incomplete Request Form from the Director of Student Records.

4. Obtain the instructor's signature, and return the form to the Director of Student Records **by the last day of the term**; the Director of Student Records then forwards the form to the Vice President of Academic and Student Affairs for signature.
5. The Director of Student Records sends one copy of the completed form to the Faculty Advisor and files one copy in the student's record.
6. Upon successful completion of the coursework, the instructor will submit a grade of Pass/Fail to the Director of Student Records (one cannot earn a letter grade for an Incomplete). The Director of Student Records will record the grade and notify the Advisor of the completed work.
7. Failure to complete a course by the end of the next term will result in an "F" on the transcript; the student will not earn credit for F's. No Institutional Tuition Reduction Awards will be awarded for any course taken to replace an F course for which Institutional Aid was given.

### 3.6.2 **Financial Aid Implications of Incompletes**

Please note that the mark "I" on a student's transcript will count against their "pace" (as defined in Section 4.1.2) and may result in their ineligibility for Federal Financial Aid and/or Institutional Tuition Reduction during future terms. See Section 4 for Financial Aid Policies.

## 3.7 **Academic Good Standing Policy**

As an academically rigorous institution, the Meadville Lombard community adheres to a high standard of academic success and professional preparation. We believe that this standard is a combination of classroom success, contextual practice, and, when applicable, ministerial fitness. Should a student's professional preparation and/or academic performance not meet the standards set forth by the School, they will be subject to the guidelines set forth in the Academic Performance Review Policy.

Standards of Academic Good Standing include:

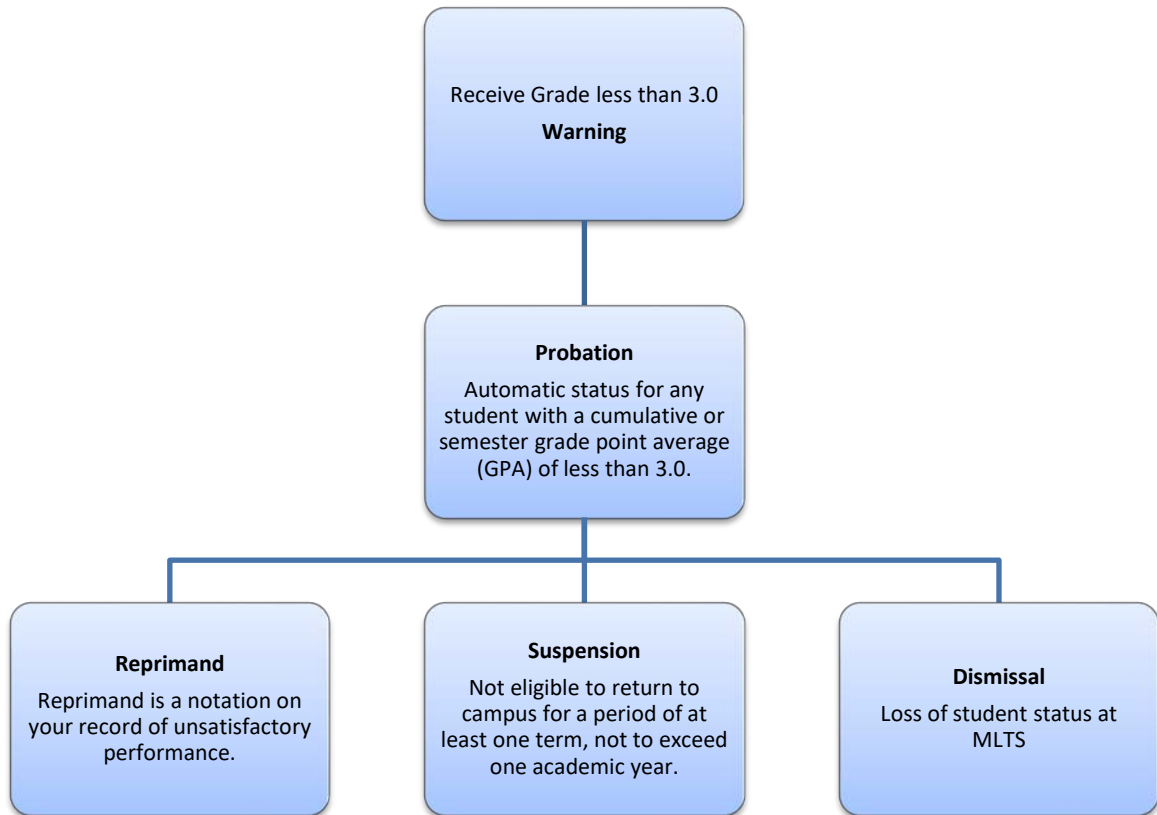

- A GPA of 3.0 or higher
- Satisfactory adherence to financial obligations
- Satisfactory progress, as determined by appropriate faculty review
- Satisfactory professional preparedness

### 3.7.1 **Academic Performance Review Policy**

All M.Div. degree students at Meadville Lombard will receive a review at the end of each Signature Course by the faculty concerning their progress in preparation for ministry. Such a review will address academic progress, personal, emotional, and professional preparedness for ministry, and financial planning.

A student will be notified in the event that they are no longer in Academic Good Standing. At the time of notification, the student will have the opportunity to discuss the

concerns with the Vice President of Academic and Student Affairs, or a Meadville Lombard designee. This meeting must be scheduled no later than seven (7) days after the notification has been sent. We strongly encourage that the student participates in this process. Failure to schedule a meeting constitutes forfeiture of a conference, and the faculty will move forward with a resolution without the benefit of the student's input. After the notice and an opportunity to be heard, a committee of Meadville Lombard Faculty and administration will impose restorative resolutions and/or educational requirements including Warnings, Probation, Reprimand, Suspension, or Dismissal.

### **Warning**

Given the academic rigor of the program, students will be notified following the receipt of a semester or Cumulative Grade Point Average (CGPA) less than 3.0 and a Warning Status will be applied to their record. Notification to this effect will be sent to their Meadville e-mail account.

A student will return to satisfactory academic standing provided the next term they earn a semester GPA of B or higher (>3.0) and all other good academic standing requirements are met.

### **Probation**

After receiving a warning, if a student again receives a semester or CGPA under 3.0, they will be put on Probation Status. Notification of Probation status will be sent to their Meadville e-mail account. A student on Probation must raise their semester grade point average above 3.0 and may be required to undergo a performance improvement plan that will be developed by their advisor in consultation with faculty. After two Warning notices within a student's degree program, receiving a semester or cumulative grade point average under 3.0 will result in Probation. Please be sure to check with the Financial Aid office as Probation status may also affect Financial Aid eligibility.

### **Suspension**

If a student fails to meet the terms of Probation, or has a CGPA below 3.0 for two consecutive terms, they will be subject to Suspension. Students who are suspended are not eligible to return for a period of at least one term, not to exceed one academic year. In certain cases, students who receive unsatisfactory faculty reviews as a part of contextual education may be suspended. A student under Suspension may not return to Meadville Lombard until a set of conditions are met, including educational and/or behavioral requirements. Any Warning notice received in any term after a term of Probation, as described above, results in Suspension. Please be sure to check with the Financial Aid office as Probation status may also affect Financial Aid eligibility.

Students who return from Suspension may be subject to certain conditions and a performance improvement plan.

### **Dismissal**

This is the loss of student status at Meadville Lombard. A dismissed student is not eligible for readmission. Dismissal procedures are reserved for cases in which it is clear to the faculty that the student is failing to meet academic standards.

Failure to fulfill the conditions of a completed Suspension is immediate grounds for dismissal. Furthermore, students whose cumulative GPA is 2.0 or below may be dismissed.

After receiving three Warning notices, any failing or unsatisfactory grade in any subsequent term will result in Probation. Any Warning notice received at any term after a term of Probation, as described in the preceding sentence, results in Suspension. If a student's record at any time warrants a third Warning notice, the student will be placed on Probation.

Students suspended or dismissed for unsatisfactory academic performance may request that Meadville Lombard reconsider its action by submitting, in writing, to the Vice President of Academic and Student Affairs any evidence of extenuating circumstances previously unavailable which would warrant a change in the academic action. A student's written request for

reconsideration must be submitted within seven (7) days of their notification of Suspension or Dismissal. The President or a Meadville Lombard designee will review the written appeal and the supporting information of the previous decision. As a final option, the student can register an appeal with the Board of Trustees. The decision of the Board of Trustees is final.

### 3.7.2 **Issues of Formation**

All degree students at Meadville Lombard in a Signature Course will receive a review at the end of each Academic year by the faculty concerning their progress in preparation for ministry. Such a review will address student academic progress and formation (personal, emotional, and professional preparedness for ministry), and financial planning. If formation concerns are noted, faculty will notify the student to discuss a means of resolving such concerns. Major formational concerns may affect Academic Good Standing.

Students who are no longer in Academic Good Standing will be notified. At the time of notification, students have the opportunity to discuss the concerns with the Vice President of Academic and Student Affairs, or a Meadville Lombard designee. This meeting must be scheduled no later than seven (7) days after the notification has been sent. We strongly encourage student participation in this process. Failure to schedule a meeting constitutes forfeiture of a conference, and the faculty will move forward with a resolution without the benefit of the student's input. After the notice, and an opportunity to be heard, a committee of Meadville Lombard Faculty and administration will impose restorative resolutions and/or educational requirements including Probation, Suspension, or Dismissal.

#### **Probation**

A Student is put on Probation when the faculty have major concerns around formation that could be a detriment to the student's professional ministry. Students on Probation are not eligible to register for future courses until after meeting with the Vice President of Academic and Student Affairs, or a Meadville Lombard designee. Additionally, Meadville Lombard funding (including Federal Aid) may be suspended. The Vice President of Academic and Student Affairs, and faculty will develop a series of requirements which the student must complete in order to satisfy the probationary status.

#### **Suspension**

If a student has not met the conditions of Probation, they may be put under Suspension. A student under Suspension is not eligible to return to campus until a set of conditions are met including educational and/or behavioral requirements. Suspension will last for a period of at least one term, not to exceed one academic year.

#### **Dismissal**

This is the loss of student status at Meadville Lombard. A dismissed student is not eligible for readmission. Dismissal procedures are reserved for those cases in which it is clear to the faculty that the student fails to meet the standards of academic or community life, or that the student's behavior may be destructive to the School, other students, a church, the denomination, or the profession of ministry. Failure to fulfill conditions of Probation is grounds for immediate Dismissal.

Students suspended or dismissed for unsatisfactory academic performance may request that Meadville Lombard reconsider its action by submitting to the Vice President of Academic and Student Affairs, in writing, any evidence of extenuating circumstances previously unavailable which would warrant a change in the academic action. A student's written request for reconsideration must be submitted within seven (7) days of their notification of Suspension or Dismissal. The President or a Meadville Lombard designee will review the written appeal and the supporting information of the previous decision. As a final option, the student can register an appeal with the Board of Trustees. The decision of the Board of Trustees is final.

### **3.7.3 Leave of Absence Policy**

The Faculty of Meadville Lombard Theological School acknowledges that there are occasions and circumstances in a student's career in which they may need to take a leave of absence. In such cases, Master of Arts and Master of Divinity students will present their application to the Vice President of Academic and Student Affairs. Such an application will be taken to the faculty for consideration. If approved, the application will be granted and the student will be responsible for taking the form to the Director of Student Records for inclusion in their official file. Leaves will be granted for no less than one term and no more than two years. A non-refundable fee of \$75.00 per semester (Fall and Spring only) will be assessed.

If they do not return after two years, they will be withdrawn from the degree program by the School. If, after two years, the student wishes to return, they will have to reapply for admission to the program.

### **3.7.4 Taking Courses at other Institutions**

Students enrolled in a Meadville Lombard degree program may take classes at any of the Association of Chicago Theological Schools (ACTS) and the University of Chicago (U of C) by cross-registering through the Meadville Lombard Office of the Director of Student Records. Students cannot take transfer classes in their first semester at Meadville Lombard. Classes taken at any of these seminaries are counted as Meadville Lombard courses and are not calculated as part of the number of credits that students may take elsewhere. However, students are limited to taking four (4) courses at ACTS schools and three (3) at the University of Chicago. Each degree program allows a different number of

courses from accredited graduate programs (other than the ACTS member schools or the University of Chicago) to be applied toward the degree, as follows:

#### 3.7.4.1 *Master of Divinity degree program*

Once students matriculate, they may take up to nine (9) credits at another accredited graduate institution.

#### 3.7.4.2 *Master of Arts in Religion*

Once they matriculate, MAR students may take up to six (6) credits at another accredited graduate institution.

#### 3.7.4.3 *Master of Arts in Leadership Studies*

Once students matriculate, they may take up to nine (9) credits at another accredited graduate institution.

### 3.7.5 **Advanced Standing**

Students matriculating into a degree program may petition the Vice President of Academic and Student Affairs to apply graduate-level work done at other institutions to their degree program. Meadville Lombard limits the number of units that can be applied as follows:

#### 3.7.5.1 *Master of Divinity degree program*

In the M.Div., students are allowed up to twenty-seven (27) credits to be transferred in from prior graduate work.

#### 3.7.5.2 *Master of Arts in Religion*

Up to two (2) courses may be transferred into the MAR from prior graduate work.

#### 3.7.5.3 *Master of Arts in Leadership Studies*

Up to twenty-seven (27) credits may be transferred from another graduate degree program.

### 3.7.6 **Directed Study/Independent Study**

Independent and Directed Study in a course will be granted in only the most extraordinary circumstances. Any Independent Study requires enrollment in an established registration period, execution during an established term, and payment of the normal per-credit tuition amount. A letter grade is normally awarded for Independent/Directed Study.

The Independent/Directed Study needs to be administered by a full-time faculty member, or by a faculty member who has recently taught the course at Meadville Lombard Theological School.

To register for a Directed/Independent Study course, students must obtain the appropriate form from the Director of Student Records. Directions for processing the form are printed directly on it.

Registration fees and tuition are the same for Directed/Independent Study classes as for any other Meadville Lombard course.

### 3.7.7 Academic Advising

Upon accepting admission into a degree program, students will be assigned to a Faculty Advisor who will meet with them to begin the process of planning their academic roadmap. New students will want to confer with the Advisor as early as possible on questions about equivalency requirements or transfer units.

Students are expected to meet with their Advisor on a routine basis, depending on the structure of their degree program. Furthermore, they will need to obtain Advisor approval for classes taken outside of Meadville Lombard academic classes.

## 3.8 Accessibility/Disability and Accommodations Policy

### 3.8.1 Statement

Meadville Lombard Theological School is committed to providing a quality theological education to a diverse group of students and will provide reasonable accommodations to special needs within the limits of what is readily achievable. The partnership between student and Meadville Lombard in addressing a challenge presented by a disability involves the following:

#### **Disclosure**

It is **the responsibility of the student** to self-disclose learning disorders and/or disabilities that require accommodations.\* If the student chooses to self-disclose, they must use the Request for Accommodation Form found in the Appendix (page 86). The School recognizes that the choice to self-disclose is very personal and all conversations/documentation will remain confidential.

\*Accommodation refers to “modifications that need to be made to minimize the discriminatory effect of a person’s physical, emotional, or learning disability, insofar as the provision of the adjustment does not cause undue burden on the setting or the institution. In academia, reasonable accommodations are called academic

adjustments, and they might include classroom adjustments, exam modifications, or administrative accommodations.”

### 3.8.2 Policy/Process

Meadville Lombard Theological School follows these guidelines and procedures for medical documentation of disabilities:

1. The clinician selected by the student must be qualified to make a diagnosis in the area of specialization (and cannot be a member of the student's family).
2. The evaluation should be written on professional letterhead, be current (usually within six [6] months, but no more than one [1] year), and should contain the date of the last appointment with the student.
3. The clinician must clearly state the disability claimed to be covered under the ADA.
4. The documentation must clearly support the claimed disability, with relevant medical and other history.
5. The evaluation must include a description of current treatments and assistive devices and technologies (if any), with estimated effectiveness in ameliorating the impact of the disability.
6. The evaluation must include a statement from the clinician indicating a timeframe within which the student should be re-evaluated for the learning disorder and/or disability, indicating that no re-evaluation is needed if that is the case.
7. There must be a description of the functional limitations the student experiences as a result of the disability which specifically addresses a post-secondary educational setting.
8. The request must clearly state the accommodations being requested.
9. The documentation must clearly support the need for the requested accommodation(s).

Once an accommodation is agreed to, it will be documented as an agreement signed by both the student and the Vice President for Enrollment Management and Student Affairs. The agreement will then be entered on to the student’s information account in Populi. The student accounts are confidential and can only be accessed by authorized individuals. Each time the student registers for a new term, their registration will be reviewed and each faculty member teaching a course for which this student has registered will be notified that this student has an ADA accommodation and the faculty member should view the accommodation on the student’s Populi account. The faculty member shall be responsible for providing the academic and/or classroom accommodations called for, and for keeping appropriate notes to document accommodations and outcomes.

### 3.9 Teaching Pastor Change Policy

Teaching Pastors can only be changed in extreme circumstances and must be approved by the faculty. The only reasons a change may be made are if the Teaching Pastor or Congregation chooses not to continue, or if there is a major life change.

### 3.10 Graduation

Degrees are regularly awarded at the May Commencement Ceremony. Students planning to graduate must file an Intent to Graduate Form, which is distributed by the Director of Student Records during the Fall Semester of the year that they intend to complete their degree program. All books must be returned to the Meadville Lombard Library, and all debts owed to the School— including Graduation and Commencement fees— must be paid on time according to the timeline laid out in the Academic Calendar: typically three (3) weeks prior to Commencement. Until these responsibilities have been completed, a degree will not be awarded and the School may prohibit participation in Commencement activities.

Students who complete the Declaration of Intent to Graduate will be contacted in February by the President’s Executive Assistant with further details for the Commencement Ceremony, including times and locations of all Commencement activities, procedures for renting and/or purchasing regalia, and distribution of invitations.

Questions regarding academic requirements for Graduation should be directed to the Director of Student Records. Questions regarding Commencement activities should be directed to the President’s Executive Assistant.

### 3.11 Policy on Research on Human Subjects

The Meadville Lombard Internal Review Board (MLIRB) is chaired by the Vice President of Academic and Student Affairs and comprised of two members of the faculty, elected annually.

As an institution committed to upholding the worth and value of every human being and the interconnected web of life, Meadville Lombard Theological School requires that all research impacting human beings meet the standards that follow:

### 3.11.1 Meadville Lombard Theological School Standards for Conducting Research on Human Beings <sup>1</sup>

#### 3.11.1.1 *Honesty*

Strive for honesty in all scientific communications. Honestly report data, results, methods and procedures, and publication status. Do not fabricate, falsify, or misrepresent data. Do not deceive colleagues, granting agencies, or the public.

#### 3.11.1.2 *Objectivity*

Strive to avoid bias in experimental design, data analysis, data interpretation, peer review, personnel decisions, grant writing, expert testimony, and other aspects of research where objectivity is expected or required. Avoid or minimize bias or self-deception. Disclose personal or financial interests that may affect research.

#### 3.11.1.3 *Integrity*

Keep promises and agreements; act with sincerity; strive for consistency of thought and action.

#### 3.11.1.4 *Carefulness*

Avoid careless errors and negligence; carefully and critically examine your own work and the work of your peers. Keep good records of research activities, such as data collection, research design, and correspondence with agencies or journals.

#### 3.11.1.5 *Openness*

Share data, results, ideas, tools, resources. Be open to criticism and new ideas.

#### 3.11.1.6 *Respect for Intellectual Property*

Honor patents, copyrights, and other forms of intellectual property. Do not use unpublished data, methods, or results without permission. Give credit where credit is due. Give proper acknowledgement or credit for all contributions to research. Never plagiarize.

---

<sup>1</sup> Adapted from Shamoo A and Resnik D. 2009. *Responsible Conduct of Research, 2nd ed.* (New York: Oxford University Press).

### 3.11.1.7 *Confidentiality*

Protect confidential and/or private communications, such as papers or grants submitted for publication, personnel records, trade or military secrets, and patient records.

### 3.11.1.8 *Responsible Publication*

Publish in order to advance research and scholarship, not to advance just your own career. Avoid wasteful and duplicative publication.

### 3.11.1.9 *Responsible Mentoring*

Help to educate, mentor, and advise students. Promote their welfare and allow them to make their own decisions.

### 3.11.1.10 *Respect for colleagues*

Respect colleagues and treat them fairly.

### 3.11.1.11 *Social Responsibility*

Strive to promote social good and prevent or mitigate social harms through research, public education, and advocacy.

### 3.11.1.12 *Non-Discrimination*

Avoid discrimination against colleagues or students on the basis of sex, race, ethnicity, sexual orientation, gender identification, socioeconomic class or other factors that are not related to their scientific competence and integrity.

### 3.11.1.13 *Competence*

Maintain and improve your own professional competence and expertise through lifelong education and learning; take steps to promote competence in science as a whole.

### 3.11.1.14 *Legality*

Know and obey relevant laws and institutional and governmental policies.

### 3.11.1.15 *Animal Care*

Show proper respect and care for animals when using them in research. Do not conduct unnecessary or poorly designed animal experiments.

### 3.11.1.16 *Human Subjects Protection*

When conducting research on human subjects, minimize harms and risks and maximize benefits; respect human dignity, privacy, and autonomy; take special precautions with vulnerable populations; and strive to distribute the benefits and burdens of research fairly.

### 3.11.2 **Who Must Gain Permission to Conduct Human Research**

Formal approval is needed for any research where generalizable data is gathered from human subjects with the intent to publish or convey research findings publicly. *The language of “generalizable” comes from OHA, the AHA, and the Office of Human Research Protections. According to this joint report, historians “do not reach for generalizable principles of historical or social development; nor do they seek underlying principles or laws of nature that have predictive value and can be applied to other circumstances for the purpose of controlling outcomes.” Accordingly, historical research, including oral histories is excluded from most IRB requirements.*

Students must consult with their Faculty Advisors about securing this approval from the MLIRB before beginning research. IRB approval is not required for class assignments that inquire into the role, experience, efficacy, or outcomes of ministry reported out to other students, faculty, or staff in the context of said class. Likewise, approval is not required for research by students, faculty, or staff that uses data such as grades, course work, surveys, interviews, etc., if it is intended to provide feedback to improve a course or program.

IRB approval is required for circumstances when:

1. Data will be disseminated outside of the seminary (e.g., publication, presentation of findings at a conference, general assembly, professional meeting, or a granting agency);
2. Research projects involve intervention with people and communities outside the seminary and will be published/made public;
3. The potential for conflict of interest is present (see section below); and/or
4. Data is being collected for Master’s theses and doctoral dissertations.

### 3.11.3 **Conflict of Interest**

A conflict of interest is said to exist whenever the researcher, their significant other, or dependent child falls under any of the following conditions and/or meets the criteria below:

1. Is an investigator on the protocol (only applicable to IRB members);
2. Has entered into a financial arrangement with the sponsor or agent of the sponsor, whereby the outcome of the study could influence the value of the economic interest;

3. Acts as an officer, director, or agent of the sponsor;
4. Has any equity interest in the sponsor exceeding \$5,000 or 3% of the equity of the sponsor;
5. Has received any payments or other incentives from any sponsor that total in excess of \$5,000;
6. Has identified themselves for any other reason as having a conflicting interest.

#### 3.11.4 Use of Private Information in Research

Private Information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual, and which the individual can reasonably expect, will not be made public (for example: a counseling session, grade, health status). Private information must be individually identifiable (i.e., the identity of the subject is, or may readily be, ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

#### 3.11.5 Responsibilities of Conducting Research

1. Accept personal responsibility for protecting the rights, welfare, health, and safety of human research subjects and comply with the applicable regulations.
2. Acknowledge the authority and responsibility of the IRB to make the final approval (or disapproval) of research involving human subjects.
3. Fully inform subjects of the risks, benefits, subjects' expectations, compensation, and other aspects of the research in which they are being asked to participate.
4. Use only the IRB approved consent document.
5. Obtain Informed Consent from each human subject in a non-coercive manner. Provide each subject a copy (or duplicate original) of their signed Consent form. All signed Consent documents are to be retained in a secure and confidential manner.
6. During the retention period, data, signed consent forms, and other documentation related to human subjects must be stored in a safe area for three years. Access to data, signed consent forms, and other documentation related to human subjects must be limited to the researcher or identified agents.
7. Report promptly proposed changes in previously approved human subject research activities to the IRB. The proposed changes will not be initiated without IRB review and approval, except where necessary to eliminate apparent immediate hazards to the subjects.
8. Report promptly to the IRB any injuries or other unanticipated or adverse events involving risks or harms to human research subjects or others.

#### 3.11.6 Training

A good source for online training for the protection of human research subjects is here:

<https://phrp.nihtraining.com/index.php>

### 3.12 Oral Histories and Written Interviews

Students who conduct oral histories and/or written interviews for historical research do not require an IRB. Students are, however, obligated to follow oral history best practices as stated by the Oral History Association (<http://www.oralhistory.org/about/principles-and-practices/>).

Any oral histories or written interviews that are intended to be donated to the Meadville Lombard Archives require approval by the Meadville Lombard Archives before the interview is conducted. All oral histories and interviews must:

1. Follow Oral History Association best practices
2. Be historically significant and conducted in such a way to be useful to researchers.
3. All claims of copyright must be given to Meadville Lombard in writing by both the interviewer and the subject.
4. The subject must be informed that the interview will be made publically available to researchers and may be made accessible online.

## 4 Financial Aid Policies

Students enrolled in degree programs at Meadville Lombard Theological School may be eligible for student aid through Federal Student Loans and institutional scholarships (including Institutional Tuition Reduction Awards).

### 4.1 Federal Loans

Students who are matriculated into a degree program at Meadville Lombard are eligible to apply for Federal Financial Aid while they are enrolled at least half-time for their degree program and maintain satisfactory academic performance.

While loans are available to all students meeting the minimum eligibility requirements, the use of these loans can be a burden for students pursuing ministry as a career. Most of our students do receive some form of tuition reduction award, and many receive assistance from the Unitarian Universalist Association and other organizations dedicated to helping students manage their debt load.

#### 4.1.1 Definitions

In order to be eligible for Federal Aid, the student must be enrolled in a degree program at least half-time. To meet these requirements, they must be enrolled as follows:

Degree Programs	Summer		Fall and Spring	
	Full Time	Part Time	Full Time	Part Time
M.Div., MALS, and MAR	6 Credit Hours	3 Credit Hours	9 Credit Hours	6 Credit Hours

**Summer Term:** 3 Credit hours

**Fall and Spring Term:** 6 Credit hours

#### 4.1.2 Satisfactory Academic Progress (SAP)

In addition to all Meadville Lombard Theological School academic requirements (as outlined in Section 3 of this Student Handbook), recipients of Federal Financial Aid (Loans and Federal Work-Study) funds must meet the following standards of Satisfactory Academic Progress (SAP) in order to establish and maintain eligibility for assistance from these programs:

- **Successful completion of at least 75% of all coursework attempted during each academic term (this is the program completion pace).**
  - Attempted coursework is defined as any course in which a student is enrolled at the end of the 100% refund period (see Refund Policies on the website).

- Successful completion of coursework is defined as receipt of a grade of A, A-, B+, B, B-, C+, C, C-, D+, D, D-, or P if a course is taken Pass/Fail.
- Unsuccessful completion of coursework is defined as receipt of a grade of F, I, PI, or W.
- Repeated coursework is counted as many times as the course is repeated in the computation of total units attempted.
- Courses that are assigned an Incomplete grade are included in the cumulative hours attempted, but cannot be used as credits earned toward progress standards until a successful grade is assigned.
- **Maintain a minimum cumulative grade point average of 3.00**
  - Credit officially accepted in transfer and specifically applied toward a student’s degree program will not be counted toward the pace or GPA.

#### 4.1.3 Return to Title IV

Withdrawing from individual courses or a program may have serious implications for a student’s academic work, as well as for their financial aid awards and future financial aid eligibility. If a student withdraws, officially or unofficially, on or before completing 60% of the term (or award period for non-term based cohorts), and they have received Title IV funds in the form of a Federal Direct Loan, the federal government requires that Meadville review their eligibility for those funds.

##### 4.1.3.1 *Official Withdrawal*

An official withdrawal occurs when the student requests and is granted the status of “Withdrawal”, or they are withdrawn by the Institution for reasons such as a lack of Satisfactory Academic Progress (SAP) or disciplinary actions. An unofficial withdrawal occurs should they stop attending classes, even if they did not withdraw from those classes or notify MLTS. Eventually, this will result in a grade of an F, NC, or W. If they complete less than 60% of the term/award period, Meadville will determine— using a federally mandated formula— how much of those funds Meadville and/or the student will have to return to the federal government.

##### 4.1.3.2 *Definition of R2T4*

We are required to apply a federally mandated formula to determine how much of the federal funding a student has “earned” up to the time of their withdrawal. This review and recalculation is called a “Return of Title IV Aid” (R2T4). After calculating the amount they have “earned”, any Title IV funds that were disbursed in excess to this earned amount must be returned to Meadville and/or the federal government. If the student received a refund from financial aid, which was to be used for education-related personal expenses (such as housing expenses or a computer) they may be required to return a portion of those funds to Meadville. This portion represents funds

that were intended to pay their education-related expenses through the end of the term or award period.

#### 4.1.3.3 *Returning Funds*

The amount to be returned to Meadville will be determined by the student's tuition and other education-related expenses, by other refunds that they might have received for non-educational expenses, and by funds that must be returned to the federal government.

The amount to be returned to the federal government will be calculated using the date that the student officially withdrew from classes or, in the case of an unofficial withdrawal, the last date they were involved in an academically related activity. To determine the amount of aid the student earned up to the time of withdrawal, The Vice President for Enrollment Management and Student Affairs will determine the percentage of the term/award period that the student attended. The resulting percentage is then used, along with the student's institutional costs and total federal funds that they received (funds that were disbursed directly to their Meadville student account and/or refunded to them) or that they were eligible to receive, to determine the amount of aid that they are allowed to keep.

Any unearned Title IV aid must be returned to the federal government within 45 days of the date that determines the student's withdrawal. The Vice President for Enrollment Management and Student Affairs will notify the student with instructions on how to proceed if they are required to return funds to the government.

If the student receives scholarship assistance from Meadville and then subsequently withdraws from the course or program for which the scholarship assistance was provided, they may be responsible for returning a pro-rata amount of that scholarship as calculated by their date of withdrawal.

#### 4.1.3.4 *Returned Title IV Allocation*

Funds that are returned to the federal government are used to reduce the outstanding balances in individual federal programs. Financial aid returned by the student or Meadville must be allocated in the following order:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. Federal Direct Grad Plus

#### 4.1.3.5 *Post-Withdrawal Disbursement*

The law specifies how schools must determine the amount of Title IV program assistance that a student earns should they withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When a student withdraws during their payment period, or period of enrollment, the amount of the Title IV program assistance that they have earned up to that point is determined by a specific formula. If the student receives (or if Meadville received on the student's behalf) less assistance than the amount that they earned, they may be able to receive those additional funds. If they receive more assistance than they earned, the excess funds must be returned by Meadville and/or the student.

The amount of assistance that a student has earned is determined on a pro-rated basis. For example, if the student completes 30% of their payment period, or period of enrollment, they earn 30% of the assistance they were originally scheduled to receive. Once they have completed more than 60% of the payment period, or period of enrollment, they earn all the assistance that they were scheduled to receive for that period.

If a student does not receive all of the funds that they earned, they may receive a post-withdrawal disbursement. If their post-withdrawal includes loan funds, Meadville must get their permission before it can disburse them. The student may choose to decline some, or all, of the loan funds so that they do not incur additional debt. The student's Financial Aid award letter serves as their notice of their loan eligibility. Meadville may automatically use all, or a portion, of their post withdrawal disbursement of grant funds for tuition fees. There may be some Title IV funds that they were scheduled to receive that cannot be disbursed to the student once they withdraw because of other eligibility requirements.

If a student receives (or Meadville received on their behalf) excess Title IV program funds that must be returned, Meadville must return a portion of the excess which is equal to the lesser of: the student's institutional charges multiplied by the unearned percentage of their funds, or the entire amount of the excess funds.

If Meadville is not required to return all of the excess funds, the student must return the remaining amount. Any loan funds that they must return, the student repays in accordance with the terms of the promissory note. The student makes scheduled payments to the holder of the loan over a period of time.

The Requirements for the Title IV program funds when a student withdraws are separate from any refund policy that Meadville may have. Therefore, the student may still owe funds to Meadville to cover unpaid institutional charges. Meadville may also charge the student for any Title IV program funds that they are required to return. If the student needs information about Meadville's refund or withdrawal policies, or if they need more information about post-withdrawal policies, disbursements, and obligations, contact the Vice President for Enrollment Management and Student Affairs.

#### 4.1.4 William D. Ford Federal Direct Loan Program

The U.S. Department of Education (rather than a bank or other financial institution) offers Direct Loans at low-interest rates for students to help pay for the cost of their education after high school. Additional information on Federal Direct Loans is available from the [Department of Education](#), 800-848-0979.

Two types of Direct Loans are available to graduate students:

1. Federal Direct Unsubsidized Stafford Loans: Students get Federal Direct Unsubsidized Stafford Loans regardless of need, but will have to pay all interest charges.
2. Federal Direct Grad PLUS Loans (Plus Loans for Graduate and Professional Degree Students): Graduate and professional degree students may borrow under the PLUS Loan program up to their school's cost of attendance minus other financial assistance. A credit check is required.

##### 4.1.4.1 *Application Procedures*

To apply for a Federal Direct Stafford Loan, complete the four steps below:

Step 1. Complete the Free Application for Federal Student Aid (FAFSA) by using "FAFSA on the Web."

Step 2. Complete the online Loan Entrance Counseling (required for first time borrowers).

Step 3. Complete and sign the electronic Master Promissory Note (MPN) (if not already signed).

Step 4. Complete the Meadville Lombard FEDERAL DIRECT LOAN REQUEST FORM.

#### **Step 1. Complete the FAFSA Online**

Students should have received a Federal PIN from the U.S. Dept. of Education shortly after the first time that they completed a Free Application for Federal Student Aid (FAFSA). The PIN serves as their electronic signature and holds the same legal status as their written signature. They should keep their PIN in a safe place and not share it with anyone. If they do not have a PIN, [click here](#), and choose either "Apply for a PIN" if the student has never had one, or "Request for a Duplicate PIN" if they had one but do not know it. The student will need to submit their name, social security number, date of birth, and e-mail or mailing address. A PIN will be generated and sent to the student. They will have the option either of receiving their PIN through their e-mail account (2-3 days) or having their PIN mailed to them (7-10 days).

#### **Step 2. Complete Online Entrance Counseling**

All new borrowers at Meadville Lombard must complete the Federal Direct Student Loan Entrance Counseling. Borrowing a student loan is a serious financial obligation, and the entrance counseling will provide a student with important information that they need to know in order to

make an informed decision about student loan borrowing. The entrance counseling must be completed before the Financial Aid Office will accept and process the student's loan application.

Complete the online entrance counseling on the [Federal Direct Loan Servicing](#) website. This tutorial reviews basic facts about Federal Direct Loans, and the student's rights and responsibilities as a borrower. After they complete the tutorial, the student will be required to take and pass a quiz. The tutorial and quiz will take approximately 30 minutes to complete. Once they have passed the quiz, the system will display their quiz results and ask them to choose a school. The student may print their passing entrance counseling quiz results along with a copy of their rights and responsibilities by clicking "Retrieve Quiz Results" from the main page.

### **Step 3. Complete and Sign your Electronic Master Promissory Note (MPN)**

First time Direct Loan borrowers need to sign a Federal Direct Loan Master Promissory Note (MPN). If a student has already signed a Federal Direct MPN previously for another Direct Loan college (online or paper), they do not have to complete a new MPN.

Students now are able to sign their MPN electronically on the web. Log in using the PIN issued by the Department of Education and then select "Complete Master Promissory Note."

Completing an electronic MPN is very simple and easy. The entire process must be completed in a single session, so be prepared, and give yourself plenty of time. If you exit the site before signing your electronic MPN, you will be required to start over from the beginning.

#### **IMPORTANT: Before beginning the electronic MPN session:**

- Have the federal PIN ready. If the PIN has been misplaced, see the instructions on how to obtain a new PIN.
- Be ready to provide two references (name, address, and telephone number). These should be people who have known the student for at least one year (preferably relatives) who live at different addresses.
- Students should remember to always use their full legal name as it appears on their social security card.
- Paper Option: If a student does not wish to sign their MPN with their PIN, they may request that the Financial Aid Office print a copy of their MPN. The printed copy will be mailed to the student's home address for their signature, but this will delay the processing of their loan application.

### **Step 4: Complete the [FEDERAL DIRECT LOAN REQUEST FORM](#)**

Complete the Meadville Lombard Federal Direct Loan Request form and FAX it to the number shown on the application. This form must be completed before eligibility can be determined. This form also provides an opportunity to opt to borrow less than the maximum.

#### **Eligibility Criteria**

To be eligible for a Federal Direct Loan, a student must:

1. Be a U.S. citizen or permanent resident alien

2. Be enrolled at least half-time and be matriculated in a degree program
3. Not owe any refunds on a Pell Grant or other awards received, and not be in default on repayment on any type of student loan

Each student loan recipient will be required to attend an exit interview when graduating or terminating from the School.

#### 4.1.4.2 *Exit Counseling*

Federal regulations require that all student loan borrowers must have an exit interview/financial counseling during their final semester at Meadville Lombard. Students may access and complete the Financial Counseling form on the FAFSA website. This will satisfy all requirements for financial counseling and give the borrower up to date information on their student loan balances. This is the quickest and easiest way to satisfy the exit counseling requirement. If a student does not complete the Exit Counseling, a hold will be placed on their Populi record. The hold will not allow the student to receive transcripts or to check grades.

#### 4.1.4.3 *Maximum Loan Amounts*

An independent graduate student may borrow up to an aggregate limit of \$138,500. This maximum total graduate debt limit includes Federal Stafford Loans received for undergraduate study.

#### 4.1.5 **Financial Aid Warnings and Appeals**

Satisfactory Academic Progress (SAP) will be reviewed at the conclusion of each term by the faculty. If SAP is not met, the faculty will notify the student by e-mail that they have been placed on Financial Aid Warning. Under the warning, Meadville Lombard is only allowed to disburse Federal funds for the next payment period. If the student is able to meet SAP in the next term, they will no longer be on Financial Aid Warning. If, however, they do not meet SAP in a term directly following a warning, they will no longer be eligible for Title IV funding. The Vice President of Academic and Student Affairs will notify the student via e-mail, at their Meadville mail account, of their ineligibility for further Federal Aid within one week of the conclusion of the grading period.

Students may appeal for reconsideration of Title IV eligibility by submitting a Letter of Appeal to the Vice President of Academic and Student Affairs. The Letter of Appeal must state the circumstances resulting in the student not meeting SAP. These reasons must be clear and critical, i.e.:

- The death of a relative
- An injury or illness of the student
- Extreme circumstances (flood, fire, etc.)

The Letter of Appeal must also address the change in circumstances that will allow a student to demonstrate Satisfactory Academic Progress by the end of the term. The Letter of Appeal must be received by e-mail or regular mail within two weeks of the notice of ineligibility.

The appeal will be reviewed by the Vice President of Academic and Student Affairs, the Faculty Advisor, and the Director of Student Records. If the appeal is granted, the student will be put on Financial Aid probation and will be deemed eligible for Title IV funds for the term. If the student does not meet SAP at the end of that term, they will be ineligible for Title IV funds. The student will be notified of the committee's decision within two (2) weeks of receipt of the Letter of Appeal.

A student whose Title IV eligibility has been reinstated under the terms of an academic plan is considered to be making satisfactory progress. A leave of absence is not sufficient grounds for a SAP waiver

#### 4.1.6 **Retaking Coursework**

If a student retakes a class that was not completed successfully, the course will count toward their enrollment status in the new term; but it is Meadville Lombard's policy not to provide any institutional tuition assistance for classes retaken because of an unsuccessful completion. A third attempt of a previously passed course will not be funded by financial aid.

## 4.2 **Institutional Grant Awards & Scholarship Policy**

Meadville Lombard Theological School is pleased to be able to offer students institutional aid in the form of a percentage reduction of the credit hour charge in effect at the time. To be eligible, students must be enrolled in a program at least half-time. Furthermore, they must have applied for MLTS aid by the dead line: March 1, 5:00 p.m. CST. A copy of the application is attached to the Appendix (page 88).

All applications will be examined by the Financial Aid Awarding Committee, which is comprised of the Vice President for Enrollment Management and Student Affairs, the Vice President of Finance and Administration, and the Director of Contextual Ministry.

Tuition Reduction Aid is awarded for a specific length of time depending on the degree program (see the chart below). This aid derives from available Institutional resources, and is awarded to eligible students, as determined by the Financial Aid Awarding Committee. All awards are authorized for the MLTS academic year, and they are credited to the student's account each term/semester. The percentage reduction will remain the same for the length of the award.

This policy has been developed so as to best assist students who maintain a pace to complete the degree program in three years, because full time enrollment will impact a student's ability to work outside the program. Thus, eligibility shall not exceed four years— or six years in the case of students taking the Master of Divinity and the Master of Arts in Leadership Studies.

#### 4.2.1 Length of Award

Master of Divinity	90 credit hours (9 CPE Cr. not eligible)
Master of Arts in Religion	48 credit hours
Master of Arts in Leadership Studies	36 credit hours
Master of Arts in Lay Ministry	36 credit hours

If students are enrolled half-time **or more**, they are eligible for tuition reduction.

	Eligible for Aid	Not Eligible for Aid
Summer Term	3 credits	Less than 3 credits
Fall Semester	6 credits	Less than 6 credits
Spring Semester	6 credits	Less than 6 credits

Award eligibility is per term/semester. For instance, if a student is enrolled as a half-time student and they earn 3 credits during Summer Term, 6 credits in Fall, but only 4 credits in Spring, they will receive aid for Summer and Fall but not for Spring.

When a course is split into two semesters, the course counts only for the amount of credits listed for each semester. For example, if a 3-credit course is split into two 1.5-credit courses offered in Fall and Spring, the semester credit for this course is 1.5 and cannot be counted as three for Fall and zero for Spring, or vice versa.

Aid will also be reduced or eliminated for students who are not in Academic Good Standing, or who are not making satisfactory Academic Progress as defined in this Student Handbook.

Credit calculation is determined by degree program per term/semester, and it is impacted by the following parameters:

- Non-tuition units of credit (CPE for all students and Praxis) count toward the calculation of a course load; however, because these are fee-based units of credit, no reduction in tuition or fees will be awarded for these courses.
- Tuition reduction awards will be offered only for courses registered and paid through Meadville Lombard.
- Tuition reduction awards are limited to the number of units of credit required to complete the degree program.
- Once an application is made and approved there is no need to make an additional application, unless a previous award has been reduced or eliminated under this policy.
- The Award will end once a student leaves the school or transfers to another school.

- An application for aid may be made at any time during the student's academic program, but aid, if approved, will not be applied retroactively.

If you have any questions, please contact Lynn Penn-Hargrove, Director of Student Records/Registrar, at [ypennhargrove@meadville.edu](mailto:ypennhargrove@meadville.edu). Any request for policy exception should be address to Ken McHugh, Vice President for Enrollment Management and Student Affairs, at [kmchugh@meadville.edu](mailto:kmchugh@meadville.edu).

## 5 Library Policies and Procedures

---

The Wiggin Memorial Library contains extensive holdings in the fields of Unitarian and Universalist history and theology, comparative religion, social ethics, literature, and philosophy. The collection includes more than 40,000 volumes, 22 electronic resources featuring hundreds of journals, 20 print periodicals, dozens of historical serials, and the archives of many significant figures in the history of liberal religion.

Additionally, Meadville Lombard students have access to more than seven million volumes through the University of Chicago library system, the Association of Chicago Theological Schools (ACTS), the Chicago Area Theological Library Association (CATLA), and the American Theological Library Association (ATLA). Furthermore, Meadville Lombard's membership in the Consortium of Academic and research libraries in Illinois also gives students access to interlibrary loans from all consortium libraries as well as nearly 4,000 e-books.

The library collection is meant to be available to all members of the Meadville Lombard community including alumni, current students, faculty, and staff, as well as UU religious professionals and lay UUs. Students are strongly encouraged to utilize the library's physical and electronic resources. Students should also be mindful of the needs of others and return items promptly. The full library and archive policies are available through the library website (<http://www.meadville.edu/wiggin-library.php>).

### 5.1 Library Hours

Stacks are open year-round, Monday through Friday, by appointment. Hours during Intensives are posted throughout the Meadville Lombard space, and are announced through the weekly bulletin.

### 5.2 Circulation

Library books can be requested through a student's I-Share account (see Section 5.4.7). Students who choose to not use I-Share can request and renew books by contacting the Librarian.

### 5.3 Reference Questions

Contact the Librarian with reference questions. Reference and research assistance may be conducted by e-mail, in person, over the phone, or using a video chat system.

### 5.4 Lending Policies

The Library primarily serves the students, faculty, and staff of the Meadville Lombard Theological School. Students and faculty of the other ACTS schools, the University of Chicago, CATLA libraries, and members of the ATLA Reciprocal Borrowing Program have borrowing

privileges, with a valid school ID. Users from ACTS schools must also have a valid ACTS borrowing card. Reciprocal borrowers do not have access to interlibrary loans through I-share.

Additionally, we are able to lend materials off-campus to UU religious professionals and lay UUs, with some restrictions (see Section 5.5).

#### 5.4.1 Fines

Books from the Meadville Lombard library are due 60 days after they were checked out. Books can be renewed up to three times, for 60 days each, and can be renewed online through student's I-Share account. Should a student choose not to use I-Share, they may renew their books in person or by e-mailing the Librarian.

Students will be notified when they have overdue or lost books. Failure to return or renew their books after the first overdue notice will result in a loss of library borrowing privileges until the books are returned, and may result in overdue fines. Students will be notified when fines begin to accrue. The student is responsible for the replacement costs of any lost books. Current students will be unable to graduate until they have settled such fines with the Library.

Late fees begin accumulating immediately after the item is due. All library items have a twenty-one (21) day grace period for late fees: if the book is returned within this time the overdue fees will be waived. If the book is returned after the twenty-one days, the patron is responsible for all fines, including those accrued during the grace period. Different items have different fees associated with them:

- Circulating books: \$0.25/day
- Course reserve books (during the semester): \$1.00/day
- Course reserve books (during Intensives): \$1.00/12 hours
- Max fine: \$100.00, or \$10.00 per book

Overdue items will be considered lost fourteen (14) days after their due date. Students will be billed for the cost of replacing the book, along with a \$25.00 processing fee. Fees for lost out-of-print and rare books will be assessed by Library staff based on the particular item. Replacement copies of lost books will not be accepted. Items that have been presumed lost and are then returned to the library will be fined as overdue items. When the replacement fee for a lost item has been paid and the original item is then found and returned to the library, the replacement fee will be refunded to the patron if the replacement book has not yet been purchased and processed.

Students may be billed for items that are returned in damaged condition. The fee for books that are in print will be the cost of the book plus a \$25.00 processing fee. The fee for out-of-print books will be up to \$100.00 for a replacement, plus the \$25.00 processing fee.

Students who check books out from other I-Share libraries will be responsible for any fees accumulated at those libraries, and will have to contact those libraries directly to settle their fines. Wiggin Library staff will not be able to intercede on a student's behalf for these fees. Outstanding charges at other libraries may limit your access to materials through I-Share or other consortia borrowing programs.

#### 5.4.2 **Book Check-out**

Most circulation is done through the mail. Using I-Share, students can request books from Meadville Lombard, or any other I-Share library and have them sent to Meadville Lombard. Library staff will then mail books to students.

All books are mailed via USPS, using the most practical shipping rate, unless requested otherwise. Users may be responsible for the cost difference. Students will be notified the day the book is shipped and given a tracking number. They may use the shipper of their choice, and are responsible for the cost of return shipping. Students should notify the Librarian when returning a book by mail; failure to do so may result in fines if the book is delayed or lost in the mail, whether from the Wiggin Library or an I-Share lending library. Wiggin Library staff will not be able to intercede on a patron's behalf if the fees are charged by the lending I-Share library.

#### 5.4.3 **Reserve Books**

The Wiggin Library places at least one copy of each required and recommended book for all courses currently being offered on course reserve. Books are placed on reserve when the course starts, and remain on reserve until the final assignment is due. Only students currently enrolled in the course will have borrowing privileges. Course reserve books may not be requested until the class term has started and may not be renewed. Reserve materials may be checked out through the mail or in person. Reserve books are due back two (2) weeks from the date they are shipped from Meadville Lombard and are not subject to recall. The patron will be notified of the day the book is shipped and the day it is due back.

During Intensives, reserve books may be checked out in person for use either in class or overnight. Books checked out for class use may be checked out at any time during the day and are due by 5:00pm that day. Students are required to share access to the book with other students in class. Books checked out for overnight use may be checked out after 5:00pm and are due back by 8:45am the next morning. Course reserve books for classes not being taught that week of Intensives will circulate for 24 hours.

#### 5.4.4 **Non-Circulating Items**

Periodicals (including bound periodicals), pamphlets, rare books, reference materials, archival materials, and MLTS theses are non-circulating. A photocopier is available in the library for students who need to make copies of non-circulating material. Aside from

copies, non-circulating materials may only be used in the Library or Special Collections Reading Room, with permission of Library staff.

#### 5.4.5 **Book Recall**

All books in the general collection are subject to recall. Items on course reserve will not be recalled. If an item is misplaced and cannot be found, notify the Library staff. If an item the Library owns is checked out, it can be recalled for students. Recalled books are due back two (2) weeks from notice, in person or through the mail.

#### 5.4.6 **Renewals**

Books may be renewed through a student's I-Share account. If a student chooses not to use I-Share, they may renew books in person or by e-mailing the Librarian. Books on course reserve cannot be renewed.

#### 5.4.7 **I-Share**

Meadville Lombard students have full access to the I-Share catalog, which combines the catalogs of more than 80 college and university libraries in Illinois (and can be searched at <https://vufind.carli.illinois.edu/vf-mls>). Students can use I-Share to request and renew books from the Meadville Lombard library, as well as other I-Share libraries. Students in Illinois can use any I-Share library in person, and pick up books requested from any library. Students outside of Illinois can request books to be delivered to Meadville Lombard and have them sent to their address on record.

Students will need to request a barcode from the Librarian. They then must create an I-Share account prior to using I-Share. A Library Account Request form can be filled out in Populi; paper forms are available in person in the library. All instructions regarding I-Share can be found on the Wiggin Library page of the Meadville Lombard website (<http://www.meadville.edu/wiggin-library.php>).

#### 5.4.8 **Interlibrary Loan- Articles or Books Not Available through I-Share**

If there is an article in a periodical that we do not have, and it is available at another library, students may request a copy of the article through interlibrary loan. To do so, contact the Librarian with the bibliographic information for the articles. All copies will be e-mailed to students as a PDF document upon fulfillment of the request.

The Wiggin Library is only able to make requests for physical items on behalf of the users if the user is able to pick up and return the item in person. Students who are able to do so are responsible for keeping track of the due dates for that item. Interlibrary Loan items may be renewed, but all renewals are made at the discretion of the lending library. Students must request the renewal by contacting the Librarian at least one week before the item is due.

Wiggin Library does not borrow from libraries that charge for Interlibrary Loan items. If an item is only available from a library that charges for items, students will be notified, and they may cancel the request if they do not wish to pay. If the fee is acceptable, the item will be requested and the student will be billed for the cost incurred.

#### 5.4.9 Reciprocal Borrowing Privileges

Students at Meadville Lombard have reciprocal borrowing privileges at many libraries around the country.

##### 5.4.9.1 *University of Chicago Library Access*

Meadville Lombard students, faculty, and staff have borrowing privileges at the University of Chicago libraries, as part of the Hyde Park Seminars. Full library privileges at the University of Chicago are open only to students taking a course at the University, although limited access to the libraries is permitted for Meadville Lombard students. Students must have valid Meadville Lombard ID cards and a current ACTS card. For more information, visit

<http://www.lib.uchicago.edu/e/using/access/researchers.html>. See also the privileges office homepage at <http://ipo.uchicago.edu/>, or phone them at 773-792-8782 or 773-702-3344.

##### 5.4.9.2 *ACTS Library Access*

The Association of Chicago Theological Schools (ACTS) is a consortium of twelve theological schools in the Chicago area that provides the means for cooperation amongst the member institutions in the areas of student cross-registration and library access and acquisitions. In order to borrow books from any of the ACTS member libraries, a student will need a current ACTS library card—which is available from the Meadville Lombard Library staff—and their Meadville Lombard student ID. More information about ACTS and a full list of the ACTS member libraries can be found at <http://www.actschicago.org/>. Users should check the policies at individual libraries for more information about borrowing policies.

##### 5.4.9.3 *CATLA Library Access*

The Chicago Area Theological Library Association (CATLA) is a consortium of more than twenty theological schools in Illinois, Indiana, Iowa, Michigan, and Wisconsin meant to provide reciprocal services for other member libraries. A student will need a current Meadville Lombard student ID. For a full list of member libraries, consult CATLA's website at <http://www.catlalibraries.org/archives/270>.

#### 5.4.9.4 *ATLA Library Access*

The American Theological Library Association (ATLA) is a consortium with more than 800 members around the country. Beginning in 2015, ATLA launched a voluntary reciprocal borrowing program among its members across the country. Wiggins Library users with proof of current enrollment can visit a library at a seminary near them and use the library's resources. Meadville Lombard students will need their student ID to check out books. All participating libraries are listed at <https://www.atla.com/Members/programs/Pages/Reciprocal-Borrowing-Initiative.aspx>. Check with individual libraries for more information about their borrowing policies.

### 5.5 Other Library Users

**In addition to current Meadville Lombard students, faculty, and staff, members of the larger UU community have library borrowing privileges. These users include Meadville Lombard alumni, religious professionals (Ministers, D/REs, and music directors) as well as lay UUs. Items may be checked out for up to one (1) month, and can be renewed twice. Library users are responsible for the return shipping of all books.**

# 6 Archives and Special Collections Policies and Procedures

---

## 6.1 Access to Archival Material

Archival materials are available to researchers by appointment only. To access archival material, patrons must contact the Archivist to schedule a visit at least one week in advance.

### 6.1.1 **Restrictions and Use Rules**

All archival materials and rare books are accessible to researchers, unless restricted by Meadville Lombard policy or donor agreement.

Access to fragile material is at the discretion of the Archivist. The Archivist may require patrons to wear gloves or take other precautions to preserve fragile material.

## 6.2 Information Requests: Research and Reference

Patrons are encouraged to make all information requests prior to any onsite visit. These requests are necessary to determine what archival materials may be useful in a patron's research, and whether a visit to Meadville Lombard Archive is required.

### 6.2.1 **Research Request**

A research request is when the Archivist helps a patron determine what information is available for their research. Research requests can be conducted in person, by phone, by e-mail, or over video chat.

### 6.2.2 **Reference Requests**

A reference request is when a patron requests specific information— such as graduation dates of Meadville Lombard students, or the founding dates of congregations— without making a research appointment. Reference transactions can be conducted in person, by phone, by e-mail, or over video chat.

### 6.2.3 **Digital Research Requests and Services**

Patrons who cannot physically visit Meadville Lombard can request a digital copy of a specific document(s). Fees are associated depending on the number of pages being requested:

- A single document of fewer than twenty pages will be scanned free of charge.
- Documents of more than twenty pages, or multiple documents of any length, cost \$0.20 per page.

- Fragile or large documents may incur additional charges at the discretion of the Director of Library and Information Technology.

Currently, analog audio and video cannot be digitized, nor can some fragile material. Extra charges may be incurred for special projects at the discretion of the Director of Library and Information Technology.

Digital research requests will be fulfilled as soon as possible. Requests for archival materials stored online are usually fulfilled within a week. Requests for materials stored offsite will take longer.

### 6.3 **Digitized Collections**

The Archives is in the process of systematically digitizing collections with high research value. These collections are full-text searchable, and they can be accessed from the Archives page on the Meadville Lombard website: <http://www.meadville.edu/archive-holdings>.

## INDEPENDENT/DIRECTED STUDY FORM

Independent and Directed Study in a course will be granted in only the most extraordinary circumstances. Any independent study requires enrollment in an established registration period, execution during an established term, and payment of the normal per-credit tuition amount. A letter grade is normally awarded for independent/directed study.

The independent /directed study needs to be administered by a full time faculty or by a faculty member who has recently taught the course at Meadville Lombard Theological School.

The registration fees and tuition are the same for Directed/Independent study classes as for any other Meadville Lombard course.

The following sections must be completed and returned to the Director of Student Records.

**MEADVILLE LOMBARD**  
THEOLOGICAL SCHOOL  
**INCOMPLETE POLICY**

An Incomplete is defined as **any extension of time** to complete class work beyond the last day of the course term. The mark “I” (Incomplete) on a transcript indicates that a student registered for course credit has not submitted all the evidence required for a qualitative grade, but has made satisfactory arrangements with the instructor prior to the original date when work is due.

Meadville Lombard Theological School requires that work must be completed within the term immediately following the term in which the extension was requested, including summer term. If the work is not completed and graded satisfactorily by the end of the term immediately following the term in which the course was originally taken, the grade will be recorded as “Failure” (F) and no credit will be earned for the course. Both the “Incomplete” (I) and “Failure” (F) grades are considered unsuccessful completions and will affect a student’s eligibility for Federal and Institutional Financial Aid (See the Student Academic Progress (SAP) section of the Academic Standing and Financial Aid Policies in the Student Handbook).

**Procedures:**

1. The maximum allowable time for an extension is one term after the end of the term in which the course was taken (example: course-work for an Incomplete taken in spring term must be completed by end of summer term).
2. Before the last day of the term in which the course is being taught, the student arranges with the instructor for an Incomplete.
3. The student procures Incomplete Request Form from the Director of Student Records.
4. The student gets the instructor’s signature and returns the form to the Director of Student Records **by the last day of the term**; the Director of Student Records then forwards the form to the Vice President of Academic and Student Affairs for signature.
5. The Director of Student Records sends one copy of the completed form to the student’s academic advisor, and files one copy in the student’s record.
6. Upon successful completion of the coursework, the instructor will submit a grade of Pass/Fail to the Director of Student Records (students cannot earn a letter grade for an Incomplete). The Director of Student Records will record the grade and notify the student’s academic advisor of the completed work.
7. Failure to complete a course by the end of the next term will result in a “Permanent Incomplete” (PI) on the transcript; students do not earn credit for Permanent Incompletes. No Institutional Tuition Reduction awards will be awarded for any course taken to replace a permanent incomplete course for which Institutional aid was given.

Please note that the mark “I” on your transcript will count against your “pace” (as defined in the Student Academic Progress (SAP) section of the Academic Standing and Financial Aid Policies) and may result in ineligibility for Federal Financial Aid and/or Institutional Tuition Reduction in future terms.

## Request for Accommodation

Request for accommodations because of learning disorder or disability includes:

1. Initiation of request to the Vice President for Enrollment Management and Student Affairs (by the deadline); and
2. Evaluation of request and clinical documentation.

The evaluation of the request for accommodations may be shared with the Vice President of Academic and Student Affairs, the Director of Student Records, and the Vice President of Finance and Administration as deemed appropriate. When accommodations are authorized, the student will work with the Vice President for Enrollment Management and Student Affairs and the Vice President of Academic and Student Affairs to negotiate appropriate and reasonable accommodations.

Students planning any leave should consult with their adviser. For full tuition refund, a leave of absence must be arranged either at the end of the semester prior to the leave or by the Drop/Add deadline of the request semester. For the refund schedule and additional dates, visit the MLTS Academic Calendar.

## Emergency Loan Policy

Meadville Lombard Theological School recognizes that there may be times when unexpected financial emergencies may cause undue stress and hardship on our students. To assist those who encounter financial emergencies while enrolled, Meadville Lombard has made available a short-term emergency loan. Reasons such as rent payments, car payments, groceries or other normal bills that are part of the student's regular, monthly expenses are not considered emergencies.

Below is a list of requirements for receiving an emergency loan:

- The student must be enrolled in a Meadville Lombard degree program.
- A student may only apply once per semester.
- The student must complete and submit an emergency loan application to the Vice President for Enrollment Management and Student Affairs.
- The maximum amount for a short-term emergency loan may not exceed \$1,000 per semester.
- The short-term emergency loan will be charged to the student's Meadville Lombard account.
- The student is required to repay this zero interest loan in full within 60 calendar days, or before the first day of the semester that follows the semester in which the emergency loan was received, whichever occurs first.
- No loan will be approved if the student:
  - a) Has an outstanding account with the School that will not be covered by the approved financial aid (i.e. grants, scholarships, or student loans).
  - b) Has written insufficient checks to the School.
  - c) Has defaulted on a previous short-term emergency loan.
- Additional emergency loan funds in a succeeding semester will be approved only if the loan for the preceding semester has been repaid.
- Title IV funds may be applied to any outstanding or defaulted short-term emergency loans on a student's Meadville Lombard account.
