

April 17, 2020

Dear Students,

In light of the extension of numerous stay-at-home orders across the nation, the leadership team made the decision to offer summer intensive courses in online format only. These decisions are difficult to make as we would really love to be able to hold classes in the physical presence of one another. Nevertheless, with limited testing capacity and no vaccine yet available, we agree with the guidance and laws put in place by our governor and mayor. Let's just continue to learn from one another from the safety of our homes.

We miss you! This is a difficult time in our world. Being able to connect with you via Zoom has been a bittersweet blessing. We soooooo look forward to being together again. Until then...

Take care!
